SLIGHT GAIN CLAIMED BY JAPANESE DENIED BY DEFENDING ARMY

Chinese Make Counter-Claim of Successful Attack On Shanghai Front—Japanese Admit Stiffer Resistance Obstructing Campaign in Shansi Province—Digging Way Forward Slowly

SHANGHAI, Oct. 21 (P).—Chinese disputed today Japanese reports that Japanese infantry was advancing slowly along the entire twenty-five-mile front immediately north of Shanghai. Chinese declared their forces, counter-attacking, had isolated and wiped out 200 Japanese at one point.

In North China, Chinese reported advances both on the Peiping-Hankow and Tientsin-Pukow railroads. They said their planes bombed the railroad station at Ping-yuan, in Shantung Province, and destroyed a huge store of Japanese munitions.

A dispatch from Peiping, however, said a Japanese force occupied the south bank of the Tientsin-Hankow River, fourteen miles north of Changchun on the Peiping-Hankow railroad in Northern Honan Province.

STIFFER RESISTANCE

Japanese acknowledged their campaign in Shansi Province, north of Honan, is being obstructed by difficult terrain and stiffer resistance than the Chinese had put up before.

OTTAWA GREETED CORDELL HULL

United States Secretary of State Guest of Governor-General

OTTAWA, Oct. 20 (P).—Firmly refusing to be drawn into discussion of official questions, United States Secretary of State Cordell Hull, here today on a visit to Lord Tweedsmuir, would be quoted only on his words of tribute to the friendly relations between his country and Canada.

Secretary Hull, accompanied by Mrs. Hull and two State Department officials, reached Ottawa at noon and will be a guest at Rideau Hall, home of the Governor-General, until tomorrow evening. Then he will go to Toronto, where on Friday he will receive an honorary degree at the University of Toronto. Tonight he was guest of the Dominion Government at a state dinner.

VISIT PURELY SOCIAL

Since his visit was purely social, returning visits to Washington made earlier this year by the Governor-General and Prime Minister Mackenzie King, Secretary Hull said he would not discuss any official matters.

At tonight's dinner the host was Prime Minister Mackenzie King and the guests, in addition to Secretary and Mrs. Hull, included other members of the visiting party, Mr. and Mrs. Norman Armour, and other officials of the United States Legation with their wives, members of the Government and the Privy Council, and representatives of the capital's diplomatic corps.

AGED INDIAN LEFT TO DIE IN WILDS

Missionaries Rescue Old Woman Abandoned by Tribe Following Old Custom

EDMONTON, Oct. 20 (P).—Old Kate, ninety-year-old Indian woman, was receiving hospital treatment today at Fort Simpson, N.W.T., after modern science had intervened, eliminating the tribal custom the aged squaw should have lain down to await death in lonely wilderness when her people deserted her.

Story of her rescue was reported late last night when Pilot Grant McConachie returned to Edmonton. Abandoned by her tribe near Fort Lard, in the South Nahanni country, just north of the British Columbia border, Old Kate was rescued by missionaries after several days of hopeless solitude. Suffering from a malignant disease, she was carried by airplane to Fort Simpson for medical treatment.

Foreign Affairs Debate To Precede Prorogation Of British Parliament

House to Rise Tomorrow and King to Open New Session on Tuesday

EDEN WILL REVIEW EVENTS SINCE JULY

LONDON, Oct. 20 (P).—Parliament will return to work tomorrow. Following a long list of accumulated questions, the House of Commons will come immediately to grips with international problems. Labor leaders had asked for an earlier summoning of Parliament to consider the war in the Far East. The Government declined, but allotted tomorrow, originally fixed for prorogation, for discussion of foreign affairs.

Foreign Secretary Eden, it is proposed, will open debate with a review of events since the House adjourned at the end of July. Clement Attlee, Labor leader, following, will, it is expected, demand economic action against Japan in accordance with the resolution adopted by the Labor party conference at Bourne-mouth.

Arab Snipers Continue to Give Trouble

JERUSALEM, Oct. 20 (P).—Elite snipers kept alive the wave of terrorism in the Holy Land today by a series of attacks in hallowed Biblical settings.

Snipers peppered bullets about a police station near the Church of the Nativity, at Bethlehem. Police returned the fire, but no casualties were reported.

A bomb was thrown at a group of Jewish constables as they entered the police station at Safed, a small town north of the Biblical city of Capernaum. The bomb exploded harmlessly nearby.

Court Rules Order Preventing Actions On Validity Invalid

Alberta Supreme Court Declares Lieutenant-Governor-in-Council Lacks Power to Deny Tests of Provincial Statutes

EDMONTON, Oct. 20 (P).—An order-in-council passed by the Alberta Government to prevent actions challenging validity of Alberta statutes unless permission is given by the Lieutenant-Governor-in-Council, was declared invalid and of no effect by Mr. Justice W. C. Ives in Supreme Court here today.

Giving oral judgment in the case, Mr. Justice Ives, assessed damages of \$1 against R. P. Wallace, clerk of the court, who under the order-in-council had refused to enter a statement of claim questioning validity of debt adjustment legislation.

When the statement of claim was refused, Mrs. Rachel Steen, of Lucas, Alta., through her counsel, George H. Steele, K.C., entered the damage action against Mr. Wallace.

Young Trapper Saw Crashed Liner Just Miss Trees by Cabin

SALT LAKE CITY, Oct. 20 (P).—A mountaineer, only eyewitness of America's worst airplane disaster, told today a vivid story of a transport pilot flying blindly through a mountain blizzard, then a terrific crash, which killed nineteen persons.

Height Profit, youthful trapper of Northeastern Utah's trackless wilderness, said he saw the ill-fated United Air Lines twenty-one passenger westbound plane barely miss towering pines in his backyard, Sunday night; watched the craft's lights vanish in the storm, then heard it plough into a granite ridge.

Profit hurried through the dark and stormy night toward the head of Humpy Canyon, and there, scattered over a wide area, lay the bodies of fifteen men and four women, and the battered and twisted wreckage of one of modern aviation's most elaborate transports.

Profit headed for civilization to report his find, but by the time he reached the nearest ranch, approximately fifteen miles away, searching planes had located the wreckage and ground parties were en route to the tragic scene.

Makes Desperate Effort to Rescue Two From Death

Ontario Boy Fails in Attempt to Save Mother And Man From Icy Lake—Spends Two Nights in Little Tent and Tramps Fifteen Miles to Report Tragedy

KENORA, Ont., Oct. 20 (P).—Survivor of a drowning tragedy that took lives of his mother and a companion, fifteen-year-old David McIlwraith was recovering here today from an ordeal experienced in making two desperate rescue attempts in icy waters and spending two nights alone in a little tent.

Story of the boy's courage was unfolded to police by young McIlwraith whose mother, Mrs. Hastings McIlwraith, and Charles Duncan, hired man at the McIlwraith dairy, were drowned in Silver Lake, twenty miles from here, when their canoe upset half-a-mile from shore in a squall. The three Keewatin residents were on a fishing trip.

Duncan complained of cramps, police said David told them, and the lad helped him to get near the shore where he collapsed in the water.

GUNS BLAZE TO HALT SUSPECTS

Two of Three Men Captured Wounded by Seattle Police Bullets

SEATTLE, Oct. 20 (P).—Police bullets today wounded two suspected automobile thieves and ended the flight of a fugitive from the Washington State Reformatory at Monroe.

Officers opened fire as the men ran from their abandoned automobile in a dead-end street. The shooting concluded a long automobile chase through city streets.

Jerry Hasagain, twenty-one, was shot in one leg, and his alleged companion in Eastern Washington burglaries, Robert E. Weise, twenty, was slightly wounded in one arm.

Paul A. Ahya, twenty-two, who escaped from the reformatory farm less than two hours before, surrendered unhurt.

FOURTH MAN MISSING

A fourth man, wanted by Spokane police in connection with burglaries, was sought. He was not in the car when police overtook the fugitives.

A telegram from Police Chief Ira Martin, of Spokane, was received by Seattle detectives, stating Hasagain, also known as Hashagain, and Weise, were wanted there on felony warrants, and also were suspected of burglaries in Lincoln County.

Ahya was returned to the reformatory tonight.

League Will Send Medical Corps to Help the Chinese

PARIS, Oct. 20 (P).—The League of Nations control committee today approved plans to send a corps of medical experts to aid China. Delegates of Venezuela, France, Russia, Czechoslovakia, Norway, Poland and Hungary, meeting in Paris, authorized this use of 2,000,000 Swiss francs (\$400,000) voted October 5 by the League Assembly "to help the Chinese Government in its fight against epidemics."

Yorkshire Displaying Its Loyalty

LEEDS, Oct. 20 (P).—The King and Queen today toured the Leeds air raid precautions centre as they continued their three-day visit to Yorkshire.

Their Majesties received an ovation from 150,000 people when they appeared on the balcony of the Leeds Town Hall.

During the morning an estimated 100,000 factory workers massed in the streets of Bradford as the King and Queen drove through that centre of the woolen industry. They also visited Halifax.

BREAK THROUGH LAST DEFENCES

Gijon Reported in Flames—Franco's Columns Crush All Resistance

BIARRITZ, France, Oct. 20 (P).—A group of Spanish Government flyers, who fled from Gijon today, said the Bay of Biscay seaport was in flames, and further defence against General Franco's advancing insurgent army appeared impossible.

Anarchy was spreading, they said, with Basques and Asturians fighting each other in the streets. Food supplies were nearly exhausted, and only a few militiamen still were ready to hold out against the insurgents, they added.

MASSED TROOPS

HENDAYE, Franco-Spanish Frontier, Oct. 20 (P).—Insurgent forces massed troops and artillery along an eleven-mile front east of Gijon tonight for a "decisive blow" against the Asturian provincial capital.

Military advices said General Franco's columns were crushing all Asturian resistance after having occupied strategic Villavieja and Infesto, less than twelve miles from their objective.

LATE NEWS BULLETINS

NEW COMMANDER FOR CHINA STATION

LONDON, Oct. 20 (CP-Havas).—The King tonight approved appointment of Vice Admiral Sir Percy L. H. Noble as commander-in-chief of the China station. Since 1935, Sir Percy has been fourth Sea Lord and chief of supplies and transport. His new appointment becomes effective next April.

CHINESE FORCES LOSE HEAVILY

SHANGHAI, Oct. 21 (CP-Reuters).—Ten weeks after the opening of the Japanese offensive, the military situation in the Shanghai area remains at a stalemate. The Chinese have suffered about 100,000 casualties against 30,000 Japanese killed or wounded, but the Chinese lines have held.

THOUSANDS OF CANDIDATES NOMINATED

LONDON, Oct. 20 (P).—Approximately 3,000 candidates were nominated today to contest the 1,377 seats at stake in the metropolitan boroughs of London in the November 1 municipal elections. Correspondingly high numbers were nominated elsewhere in England and Wales. The Scottish nominations will take place October 22, with their elections on November 2.

JEAN BATTEN HOPS FROM RANGOON

RANGOON, Burma, Oct. 21 (CP-Havas).—Jean Batten, New Zealand woman flyer, on a solo trip from Australia to England, left here at 2:11 a.m. today (8:41 p.m. Wednesday, G.M.T.) for Allahabad, India, her next scheduled stop in her attempt to better the distance record held by H. F. Broadbent, of Australia.

LOYALIST MILITARY HEADS ORDERED ARRESTED

VALENCIA, Spain, Oct. 20 (P).—The Ministry of National Defence announced tonight four of the Spanish Government's highest ranking military leaders had been arrested. They were charged with responsibility for the fall of Malaga, important seaport on Spain's southern coast, which the insurgents captured February 8.

SEVERAL DROWNED WHEN VESSELS COLLIDE

LONDON, Oct. 20 (P).—Dispatches from Amsterdam tonight reported several persons drowned when two German ships collided in a dense fog fifteen miles off the mouth of the North Sea Canal on the North Netherlands coast. The 945-ton steamer Westfalia and the 812-ton steamer Schwalbe, were involved in the accident. The victims were aboard the Westfalia, which sank.

Acceptance of British Proposals by Fascist Ambassador Supported by German Agreement—Scheme Fits Framework of Plans Advanced In July—Belligerent Rights Not Pressed

Commission Going to Spain To Report on Working Plan

LONDON, Oct. 20 (P).—Europe's Fascist-Nazi front broke a deadlock tonight over the presence of foreign soldiers in Spain and agreed to a scheme through the Non-Intervention Committee for getting them home.

Count Dino Grandi, Italian Ambassador, faced with what observers described as a "stiffening attitude" by Great Britain and France, accepted British proposals for evacuating the foreign volunteers rather than precipitate a crisis.

The action, supported by German agreement, took place in the session of the nine-power sub-committee of the twenty-seven-nation "hands off Spain" body.

COUNTERACT STOCK PANIC

Buying Forces Gain Power to Bring Prices Surging Upward

NEW YORK, Oct. 20 (P).—The psychology of fear was swept out of Wall Street today by the biggest stock market advance since the first days of trading after the banking holiday in March, 1933.

A buying power, which gained new force overnight, after yesterday's closing surge upward, carried prices of leading shares up \$1 to \$7, with occasional advances of considerably more and virtually wiped out the losses suffered in the panicky selling of Monday and early Tuesday.

SUSTAINED RALLY

Not even sporadic profit selling deterred the day's rally, which was the most sustained that "The Street" has witnessed for some weeks.

Whereas Monday and Tuesday, trading opened with a heavy accumulation of selling orders, the opposite was true today and the ticket tape frequently was behind on the upswing instead of on the down.

The Associated Press average of sixty stocks on the "big board" was \$48.70, only 20 cents under the closing average of last Saturday, and \$3.40 above yesterday—the largest gain since the \$4.10 advance in the averages on March 15, 1933.

Ogopogo Reported Again at Kelowna

KELOWNA, Oct. 20 (P).—Ogopogo, Lake Okanagan's water serpent, is back. That's the story of twenty volunteer workers on the new highway to Kamloops, anyway.

The men said that they saw the monster a few days ago, about 100 feet from shore and traveling almost thirty miles an hour. They suggested blasting operations on the road project had brought the serpent to the surface.

NOTED PRAIRIE FARMER PASSES

Samuel Larcombe: Former Wheat King, Won Many Prizes for Products

BIRTLIE, Man., Oct. 20 (P).—Samuel Larcombe, "grand old man" of Western Canada agriculture and world wheat king in 1917, died in hospital here tonight.

The eighty-six-year-old retired farmer, famed as the producer of Axminster wheat, a rust-resistant variety, was brought to hospital several days ago suffering from pneumonia and he sank rapidly.

Besides giving the world rust-resistant wheat in 1912, Mr. Larcombe won 3,000 prizes for soil products in his forty-three years of farming in Manitoba. His farming career was capped with victory at the International Grain Exposition at Peoria, Ill., in 1917, when he was crowned wheat king.

MANY OTHER AWARDS

On three occasions he won the sweepstakes prize for the best soil products exhibited by any individual at international shows. In 1918 he took top honors at the World's Soil Products Exhibition at Kansas City, and again at exhibitions in Winnipeg during 1919 and 1920.

For his brilliant achievements Mr. Larcombe was honored on many occasions. During the last session of the Manitoba Legislature a resolution was passed extending him greetings on his eighty-fifth birthday and thanking him for his valuable, devoted and sacrificing services to agriculture.

WOMAN TOURIST STARTLES POLICE

Calls for Husband to Shoot at She Grasps Arm of R.C.M.P. Officer

REGINA, Oct. 20 (P).—"I want a Mountie," shrieked a woman as she eluded from a Florida-licensed automobile today, grasping the arm of startled Constable H. E. P. Mann, of the Royal Canadian Mounted Police headquarters staff.

"Shoot," she cried, to further startle the uniformed officer. The advice was to her husband, who was busy getting his camera into action before the constable could grasp the meaning of "hold-up."

"Bye, bye," chirped the tourist, rushing for the car. "We've been hunting for days for a Mountie for a picture for our trip. I hope your wife won't mind—if you have a wife."

Constable Mann hopes his wife won't mind either.

TO MEET FRIDAY

The Newfoundland Society will hold a meeting in the Y.M.C.A. tomorrow evening at 8 o'clock. All former residents of Newfoundland are cordially invited to attend.

Employment for Men From Camps on Roads Urged by C.M.A. Head

Radicals and Agitators Criticized by Capt. F. C. Brown—Need for Export Tax on Resources Stressed in Luncheon Speech

RADICALS, who are "opposed to all wars, save those they themselves would make," were criticized by Capt. F. C. Brown, Vancouver, president of the Canadian Manufacturers' Association, who spoke at a luncheon held in his honor at the Empress Hotel yesterday by the Victoria and Vancouver Island branch of the organization. The meeting was especially intended to show the appreciation of the election of Captain Brown to the presidency. He is the first member from Western Canada to hold the office since 1910.

He declared that in some cases labor had not a fair sense of responsibility, and drew attention to legislation passed in Great Britain following the general strike in 1926, which, he said, gave protection to the man who wanted to work.

Captain Brown declared further that it was a tragedy that young men, thrown on their own resources when the camps closed down, should have to go to jail. "These camps must be properly supervised under reasonable discipline, and the agitators removed," he said.

He maintained "there was work to be done, and that such labor could be utilized by grading roads and opening up the great central areas of British Columbia."

URGES PROPER IMMIGRATION

He quoted The Winnipeg Free Press to the effect that the greatest need of the Dominion was the opening up of the great Northlands; declared that labor stood to gain more than any others in the case of selective immigration, properly supervised, and suggested that there was surely a way to get a better balance of British stock, since the Anglo-Saxon in the Dominion was on the decline.

Speaking of the recent sale of land to foreign interests, Captain Brown suggested an export tax on lumber and on ores for the greater preservation of our own natural products.

"Japan has subsidized industry and has gone into the markets of every nation of the world," he declared. "Our policy of laissez-faire is not good enough."

PRAISES HON. G. S. PEARSON

In conclusion he spoke briefly of the losses of university graduates to this country, compared the number of Canadians in the United States with the number of Americans in

JAIL CAMPS UNDER FIRE

Speaker Critical of Plan—Ward Three Conservatives Name Officers

Members of the Liberal Administration have a short memory, B. A. McKelvie suggested last evening at the annual meeting of Ward Three Conservatives held at headquarters. Speaking of the report that jail camps would be established, Mr. McKelvie pointed out that this was the action of a government that had promised "Work and Wages."

"Hon. George S. Pearson is in Ottawa at this time, talking with the Federal authorities about the establishment of unemployed camps during the winter. It is only a short time ago that the Liberals were criticizing the Tolmie Administration for doing the same thing," he said.

Mr. McKelvie also drew attention to the commission that would be here in January regarding changes in the British North America Act. He stressed the fact that although but a short time was to elapse before the arrival of the commission, the Government had not yet made public any details of the changes for which they would ask. "We have a right to know," he declared.

OFFICERS NAMED

In the annual election of officers, John Taylor was the unanimous choice as chairman. Other officers are Mrs. M. J. Shepherd, secretary, and Mrs. J. Taylor, E. E. Coady, Johnson, E. Bragg and A. Scobie, delegates to the central executive. Mr. Coady-Johnson was also named vice-chairman by members of the executive, following the meeting.

Robert Harvey, president of the Victoria Conservative Association, in a brief address, spoke of the forthcoming by-election, and pointed out that there had been a surprising degree of speed shown by Ottawa in that regard. "We must canvass very carefully who shall best represent us in the coming campaign, as the successor of one of the greatest men who have gone from this city to Ottawa," he said. "The executive has the matter well in hand, and there will be a meeting of the advisory board tomorrow evening at 8 o'clock."

Previously tribute had been paid to the late Hon. Dr. S. F. Tolmie by William Duck, retiring chairman.

Placer Mining Work Depicted For Exhibition

Two splendid pictures of particular educational value to art critics, as well as to those interested in placer mining in British Columbia, are those by C. F. Barker showing operations of Cariboo Mineral Holdings, Limited, at Hills Bar, Yale, B.C. "The Clean-Up" and "There's Gold in Them Thar Hills" are the titles. These will be on view from today until October 27 at the Island Arts and Crafts Society exhibition being held at Rooms 205-210, Belmont Building.

COURT RULES ORDER INVALID

Continued from Page 1

debt legislation. The claim was refused by the clerk of the court under the order-in-council, and afterwards another order-in-council was passed to permit the action to proceed, although no steps have yet been taken under it.

The damage suit heard today was taken under the original refusal of the clerk of the court to accept the statement of claim. No defence was offered by J. J. Frawley, agent of the Attorney-General, who earlier had pointed out permission had been given for the farm mortgage action to proceed.

FOR LEGISLATURE ONLY

In giving his judgment, Mr. Justice Ives declared the order-in-council had the intent of amending Section 44 of the Judicature Act, and he added "the executive arm of the Government cannot do it; it requires the Legislature to do it."

The order-in-council, twice amended, was intended to do in a different manner what legislation had previously sought—barring court actions challenging validity of statutes unless permission is given. The legislation was disallowed by the Federal Government last August 17. The order-in-council replacing the disallowed legislation became effective on September 25.

REMOVED COMPETITION BY BURNING THEATRES

PORT OF SPAIN, Trinidad, Oct. 20 (C.P.).—Convicted of conspiring to burn theatres owned by a rival chain, Ramjohn Gokool, secretary of a Trinidad amusement corporation, started a seven-year sentence today. Appeal against the sentence was dismissed.

WINS AWARD FOR DRAMA

Ross A. Lort, Vancouver, Is Recipient of Honor for British Columbia

At the annual meeting of the governing committee of the Canadian Drama Award, held here last night with Hon. Mr. Justice A. E. McPhillips in the chair and General Sir Charles Delme-Radcliffe, vice-chairman, the following were selected as the recipients of the award for 1937.

British Columbia—Ross A. Lort, Vancouver. Alberta—Mrs. E. J. Bryans, Lethbridge; Mrs. D. W. "Joan" Hays, Medicine Hat. Saskatchewan—James Sinclair, Regina. Manitoba—Mrs. C. Claude Sinclair, Winnipeg. Ontario—Herman E. Voaden, Toronto; Stanley Meredith, London, Ont. Quebec—M. Jean Berand, Montreal; Mr. Cecil West, Montreal. New Brunswick—No recommendations received. Nova Scotia—George E. Graham, Kentville. Prince Edward Island—J. Austin Trainor, Charlottetown.

PIONEER WORK

With the aid of advisory board members in each province, the governing committee endeavors once a year to select a few men and women throughout the Dominion who are known to have done outstanding, and especially pioneer work for the development of Canadian drama. Those so chosen receive a handsome diploma together with the right to place the letters C.D.A. after their names in all matters connected with drama.

During the year four recipients of the C.D.A. have visited Victoria. Major L. Bullock-Webster, honorary secretary, stated in his annual report. They were H. A. V. Green, Winnipeg; Walter T. Read, Regina; H. Norman Davis, Medicine Hat, and Mrs. Stanley Edwards.

CULTURAL DEVELOPMENT

"The fact that His Excellency, Baron Tweedsmuir, consented to become our honorary president, and that Hon. E. W. Hamber, Lieutenant-Governor of British Columbia, not only accepted the office of honorary vice-president, but also most generously donated a sum large enough to carry on the work of this institution until next fall, is sufficient indication that our work is regarded as a worthy contribution to the cultural development of the Dominion," the secretary stated.

DEBATE TO PRECEDE CLOSING OF SESSION

Continued from Page 1

ers will ring down the curtain on the first and only session by King Edward VIII.

The new session, which King George will open in state on Tuesday, has a busy programme ahead. There is legislation for everybody. Early in the session Sir Samuel Hoare, Home Secretary, will introduce a Government bill dealing with the provision of gas masks, emergency fire-fighting equipment and so forth against air raids. The Gov-

ernment will pay 80 per cent and the local authorities 10 per cent of the cost.

VARIED LEGISLATION

Other legislation calls for: Unification of mining royalties with grant of powers to the coal mines reorganization commission to compel compulsory amalgamation; amendment of the film quota scheme to encourage production of British films; reform of prison life; pensions for the blind at forty instead of fifty; national health insurance for boys and girls under sixteen; establishment of a permanent milk commissioner and increased premiums to producers of quality milk; more rigid curb on share-pushers; and reorganization of electrical power distribution.

Arrangements for Remembrance Day Service Announced

Members of Canadian Legion and Other Veterans Will Take Part in Ceremony at Cenotaph on November 11, Pro Patria Branch Is Told

ARRANGEMENTS for the Remembrance Day ceremony at the Cenotaph for members of the Canadian Legion and other ex-servicemen who desire to participate, were announced at Tuesday night's meeting of the Pro Patria Branch of the Canadian Legion.

Ex-servicemen taking part in the ceremony will fall in at 10:15 a.m. on Thursday, November 11, on Humboldt Street, between Douglas and Government Streets. Medals and poppies will be worn. Headed by the Legion band, they will move off at 10:40 a.m., under the command of General Sir Percy Lake. Members of the Pro Patria and other local Canadian Legion

branches, will also attend the annual Remembrance Day Sunday service in Christ Church Cathedral on November 7, at 3 o'clock in the afternoon.

The meeting discussed the approaching visit to Canada of J. R. Griffin, organizing and assistant secretary of the British Legion. It was reported that Mr. Griffin's visit will be made in connection with

problems confronting ex-Imperial residents in Canada. His visit is largely due to representations made by General Ross, Dominion president of the Canadian Legion, that some responsible officials visit Canada in this regard.

INFORMATION FORMS
C. A. Gill, secretary, informed the gathering that there is at present in his, and other Legion offices in this area, a supply of Imperial division information forms, which Dominion headquarters of the Canadian Legion desire to have filled out by all Imperials, whether members of the Canadian Legion or not. This is being done in order that the Dominion command, through Mr. Griffin, may place before the British authorities in London, a complete picture of the hardships with which Imperials are faced in this country.

Accordingly, all Imperials who desire to have any matters affecting their post-war status brought before the responsible authorities, are requested to call any Legion office in the city and district, and obtain one of these forms for completion. Volunteers have been called to assist in the sale of poppies on Poppy Day, November 6, it was announced. Votes of condolence were passed to the families of the late W. H. Johnston and J. A. Barron. Eleven new members were accepted into the branch.

GOVERNOR PAYS VISIT TO SHOP

His Honor and Mrs. E. W. Hamber Inspect Poppy Headquarters Here

Hon. Eric W. Hamber, Lieutenant-Governor, and Mrs. Hamber paid a visit of inspection to the Red Cross Workshops, 548 Johnson Street, yesterday afternoon, where disabled veterans are busily engaged making poppies and wreaths, which are being sold to aid ex-servicemen.

Accompanying the Lieutenant-Governor were his private secretary, A. M. D. Fairbairn; Commander C. H. R. Slingsby, chairman of the Remembrance Day committee; General Sir Percy Lake, head of the Dominion command of the Canadian Legion; Mrs. Alfred Carmichael and Mrs. J. L. Grimison, members of the women's executive of the legion; C. A. Gill, secretary of the Remembrance Day committee; J. Waterston, poppy campaign manager; Charles Hensley, chairman of the workshop committee, and G. H. Dawson, Brig.-Gen. J. G. Austin and Col. R. A. Worsley, members of the Remembrance Day committee.

Alderman S. H. O'Neil, manager of the workshops, conducted the party over the premises. His Honor showed considerable interest in the veterans' establishment and congratulated the workers in the various departments on their work. He also placed a substantial order with the head of the poppy committee.

The Lieutenant-Governor wished the committee success in its poppy campaign before making his departure. The local workshop supplies the whole province, and even some parts of Alberta, with wreaths and poppies, the chairman stated.

WARD ONE LIBERALS

The next regular meeting of Ward One will be held at Liberal headquarters tomorrow, at 8 p.m. An interesting address will be given by Mr. Braden, M.P.-elect for Peace River district, followed by a social evening.

DEATH ENDS FINE CAREER

Lieut.-General G. R. Poole, Royal Marines, Passes Away at Duncan

Lieut.-General Gerald Robert Poole, C.B., C.M.G., D.S.O., Royal Marines (retired list), died in King's Daughters' Hospital at Duncan, yesterday morning. The general had been in failing health for several weeks.

Born January 17, 1868, the son of Canon Poole, D.D., Lieut.-General Poole served with distinction in the South African war in 1901, and in the Great War from 1914 to 1917, and from 1906 to 1912 was in the employ of the Canadian Government. He was appointed A.D.C. to His Late Majesty King George in 1921, and in 1924 he married Gertrude Katherine, daughter of C. W. Dunne, of Crofton, near Duncan, where he made his home in recent years.

He is survived by his widow, one son and one daughter, residing at Crofton.

Putting Trout in Mainland Lakes

POWELL RIVER, B.C., Oct. 20 (P).—British Columbia Game Department officers today began stocking lakes in the Powell River district with 60,000 Kamloops trout raised in the hatchery established by the Board of Trade here last year.

The fish will be released in Powell, Haslam, West and Gordon Pasha Lakes.

Obituary

INGLIS—At the Royal Jubilee Hospital on Monday, Archibald Inglis, 2251 Cadboro Bay Road, passed away, aged eighty-eight. Born in Edinburgh, Scotland, Mr. Inglis resided for a number of years on Mayne Island and for the last seventeen years had been a resident of Victoria. He is survived by a niece, Miss Jean J. Greenhill, Edinburgh. Funeral services will be conducted on Friday at 2 o'clock in Sands Mortuary. The remains will be laid at rest in Royal Oak Burial Park.

LATHAM—Funeral services will be conducted in Sands Mortuary Chapel this afternoon at 2 o'clock for Joseph Latham, Rev. G. R. V. Boister will officiate. The remains will be laid at rest in Royal Oak Burial Park. The late Mr. Latham served in the Great War and was a member of the Army and Navy Veterans and of Britannia Branch, Canadian Legion. Members of Britannia Branch are requested to attend the funeral.

O'NEIL—The funeral of William O'Neil will be held from Sands Mortuary this morning at 8:45 o'clock, the cortege proceeding to St. Andrew's Cathedral for services at 9 o'clock. Rev. T. Geukers will officiate and interment will be in Ross Bay Cemetery. Mr. O'Neil served in the Great War with the 85th Field Company, Canadian Engineers, and the 1st Pioneer.

LONGDON—Many friends were present yesterday afternoon at funeral services conducted for the late William Holmes Longdon. William McKee, Vancouver, conducted an impressive service, during which two hymns, "Nearer, My God, to Thee" and "In the Sweet Bye and Bye," were sung. Interment was made in Royal Oak Burial Park, with the following acting as pallbearers: F. Moorehead, T. S. Gibson, J. Connor, P. C. Beaumont, James Bullock and Frank F. Jarvis.

HOPKINS—Funeral services for the late Mrs. Margaret Fullerton Hopkins will be held this afternoon at 2:30 o'clock in the S. J. Curry & Son Funeral Home. Rev. Norman J. Crees will officiate and interment will be made in the family vault at Ross Bay Cemetery. It is requested that no flowers be sent.

RAE—The funeral of Miss Eliza M. Rae took place yesterday afternoon. Rev. P. C. Hayman conducted the service. The casket was covered with beautiful floral tributes. Several ladies from the Aged Women's Home and other old-time friends of the late Miss Rae attended the service. The hymn "Rock of Ages" was sung by the congregation, and a solo, "In the Garden," was sung by Mrs. M. E. Thomson. Interment was made in Ross Bay Cemetery. The following were pallbearers: Isaac Montgomery, W. M. Forrest, G. Gardiner and George Allan.

GOODE—Rev. A. deB. Owen officiated at the funeral of Mrs. Josephine J. A. Goode yesterday afternoon in the presence of a large congregation, during which the hymns "Jesus, Lover of My Soul" and "Peace, Perfect Peace" were sung. An abundance of beautiful floral tributes was received. The following acted as pallbearers: F. Tait, D. Robinson, A. J. Wakeman and T. Wakeman. The remains were laid at rest in Royal Oak Burial Park.

BYATT—The remains of Constable Thomas Byatt, who passed away at Courtenay on Monday evening, will be forwarded to Victoria, where funeral services will be held on Saturday afternoon at 2 o'clock. Interment will be made in Royal Oak Burial Park. Mr. Byatt was born in England fifty years ago. He joined the Royal Garrison Artillery during the Great War and served overseas. He is survived by his widow and four children in Courtenay, and one son in Victoria.

Declines Comment On Report He May Abandon Ministry

HON. John Hart intimated yesterday he had nothing to say at present with regard to a report in Liberal circles he might resign from the Pattullo Cabinet to seek election to the House of Commons as a private member at the Victoria by-election next month.

COUNCIL HEARS REV. JOHN BELL

Discusses Conditions in Germany at Informal Rally of Young People

How the spark of discontent could be fanned into flame and bring about a movement that might put a dictatorship into power was illustrated by Rev. John Bell, speaking of conditions in Germany in the course of an address which he gave at the Young People's Council rally held Tuesday night in First United Church.

Mr. Bell compared conditions under which young people in Germany were living with those existing in Canada, and described the German army, labor camps, and farm work problems to show how the state was forcing the young people to take up arms. He spoke of the assets and responsibilities of the Christian youth, and told how the Christian church, with Christ as the leader, could answer both social and personal problems, urging the young people to support their societies and church to work out their own future.

Gilbert Brown, president of the council, explained its workings, and introduced Nigel Morgan, president of the Youth Council, who spoke of conditions in China and of the part the Youth Council is playing in the cause of peace.

Ray Ferry referred to the resolutions being distributed throughout the province, and urged all young people's societies to discuss and vote upon the resolutions at their next meetings.

DEVOTION PERIOD
A devotion period was led by Mong Hope, who referred to the importance of Christianity in providing a solution of the difficulties now confronting his countrymen in China. A tenor solo, in Chinese, was given by John G. Bong.

Community singing, with which the meeting opened, was led by Bert Simpson, and vocal solos were contributed by Barbara Dawson and harmonica solos by Walter Reid. Mr. Brown announced that a meeting of the Young People's Council would be held in First United Church on October 27, when all United Church young people's societies would send delegates to elect a new executive.

OAK BAY WILL DISCUSS BY-LAW

Fire Department Proposed by Council Will Be Under Review Tonight

This evening at 8 o'clock a public meeting will be held in the Municipal Hall, Oak Bay, for the purpose of discussing the question of installing a municipal fire department. Reeve R. R. Taylor will address the meeting and possibly some of the councillors will deal with the situation that confronts the municipality with respect to fire protection. The financial aspect of the situation will be dealt with so that the property owners may be well advised on the whole question when they vote on Saturday on the money by-law to provide for the installation of the fire department.

FOUND RELIEF FROM SCIATICA IN SHORT TIME

Vancouver Resident High in Praise of Harris' Wondro

Here's a resident of Vancouver who is glad to be able to recommend Harris' Wondro to others who suffered as she did from the excruciating pain of Sciatica. Read in her grateful letter to Mr. Harris, printed here, of the benefit she derived from this proven herbal remedy.

"Dear Sir: I had an acute attack of Sciatica, from which recovery was very slow. Friends advised Harris' Wondro, so I took five or six bottles, from which I received great benefit. I take great pleasure in recommending Harris' Wondro to any of my friends who are ailing. Yours very truly, Mrs. N. Hales, 2928 West Forty-Fourth Avenue, Vancouver, B.C."

The healing properties of Harris' Wondro are assimilated in the blood and are thereby circulated throughout the body, supplying needed elements to every weakened, run-down part of the system. Harris' Wondro is a herbal tonic that tones up the digestive system and aids the stomach, bringing relief and new strength. Order a treatment today!

Harris' Wondro is for sale at all drug stores and is available also in boxed capsule form. A bottle of Harris' Laxico, a medicine for constipation, is included free with every purchase of Harris' Wondro. If your druggist cannot supply you, order direct from George Harris & Son, Herbalists, (Calgary, Alberta).

ESTABLISHING JAIL CAMP FOR JOBLESS

Men Arrested in Vancouver Overflowing Mainland Jail Accommodation

NO ANNOUNCEMENT OF RELIEF POLICY

VANCOUVER, Oct. 20 (P).—Thirty-four unemployed men, arrested on charges of obstructing police when they refused to stop soliciting funds on downtown streets, today were remanded in custody to Monday next when they appeared in city police court.

No reason for the remand was given. It was asked by City Prosecutor Oscar Orr.

The men will be held in the city jail, where emergency accommodation will be provided. The jail is overcrowded, police said, by more than 100 other unemployed, arrested on similar charges.

SING IN THE RAIN

During the afternoon, sixty-four single unemployed, members of the Single Unemployed Protective Association, stood outside the city jail in pouring rain, singing their marching song, "Hold the Fort for We Are Coming."

Afterwards, delegates from the S.U.P.A. interviewed Colonel W. W. Foster, city police chief, who told them no local arrangements could be made for taking care of the unemployed, but that the British Columbia Government had the problem under advisement.

TO FORM CAMP

Under pressure from Vancouver, where single unemployed persons who begged in the street were prosecuted by the city and sentenced to jail, the Provincial Government announced through Acting Premier Hart yesterday that a jail-camp would be established to take care of any overflow from Oakalla. The location of the camp was not announced.

Provincial Police reported overcrowding at Oakalla, where accommodation for 500 prisoners of all types had already been overtaken.

No reference was made by the Government to relief policies, now being discussed at Ottawa by Hon. G. S. Pearson.

PRESBYTERIAN SYNOD OPENS

Rev. D. A. Smith, B.A., Unanimously Elected Moderator for B.C.

Rev. D. A. Smith, B.A., Vancouver, superintendent of Chinese work for British Columbia, was unanimously elected as moderator for 1937-38, when the Synod of British Columbia of the Presbyterian Church in Canada opened in St. Andrew's Presbyterian Church last night. Rev. William Ellis, M.A., B.D., Fairview Church, Vancouver, was in the chair as retiring moderator.

Mr. Ellis preached an inspiring sermon on the theme "The Challenge of the Unchangeable," taking the Scripture reading and texts from Malachi, chapter 1, and Ephesians, chapter 2. After the sermon, the moderator thanked the synod for its assistance and co-operation with him during his year of office.

TODAY'S AGENDA

The agenda for today was announced as follows:

Morning—Holy Communion, 9:30. Rev. P. G. Fowler, Vancouver, will preach the pre-Communion address and Rev. Dr. D. Lister the post-Communion address. Committee meetings and meetings of the presbyteries will form the morning session.

Afternoon—2:30, provincial report of the Women's Missionary Society; home missions, church life and work, and evangelism; standing committees and pensions fund committee.

Evening—Public missionary meeting at 8 o'clock, and reports on young people's work; speakers, Rev. H. Bonnell, Stewart, B.C.; Dr. C. A. Cameron, Vancouver, and Dr. W. D. Reid, Montreal.

Church Union Re-elects Its 1936 Officers

Rev. J. W. Churchill was re-elected president of the Victoria United Church Synod at the annual meeting held in Metropolitan United Church schoolroom Tuesday, while Rev. I. A. McKelvey was again named secretary-treasurer of the organization.

A brief entertaining address, "To and Fro in the Old Land," was given by Rev. Dr. W. G. Wilson. Among those introduced to the gathering were Rev. J. W. Toole, of the Alberta Conference, a new member, and two visitors, Rev. W. D. Reid, D.D., Westmont, Montreal, now supplying Centennial United Church here, and Rev. J. M. Brunton, of the Alberta Conference. Refreshments were later served by the ladies.

SALARY QUESTION TO BE DISCUSSED

Teachers Plan Conference With School Board Over Reductions Made During Depression

Possible revision of salaries will be discussed by the school board and a delegation of teachers, in the near future. Tentative members of the delegation are: Claude L. Campbell and Miss E. G. Cameron, Victoria High School; A. T. Hunkin, Central Junior High School; Col. W. N. Winsby and George H. E. Greene, representing elementary schools.

City teachers sustained pay cuts of 10 and 6 per cent during the depression. Since then, restoration of 3 per cent has been made, but the 5 per cent returned to civic employees' pay on October 12 did not cover teachers.

Past city councils pointed out teachers received annual increments when other civic salaries remained stationary. Teachers now state that 75 per cent of their ranks have already reached the maximum, and no longer receive annual salary increases.

VICTORIA'S BY-ELECTION.

No one can complain that any undue time has been allowed to lapse in announcing the date for a by-election here to fill the vacancy in the House of Commons caused by the death of Dr. S. F. Tolmie. The speed of the government decision is almost unseemly and gives, in the date set, November 29, all too little time for the preparation of a new voters' list, that is, if it is the desire to insure that all those qualified have full and ample opportunity to have their names enrolled. The Government at Ottawa, however, wishes for a quick decision, even for a "snap" decision, and it can hardly fail to be absorbed from the suspicion that it has a desire to catch its opponents unprepared.

The matter of by-elections, and the time regarded as opportune for holding them, is usually one of party politics. It is regarded as good political strategy for a party in power, which has the say, to precipitate a contest at a moment when it believes its chances of success are the brightest. Those in opposition have to accept such a challenge. Victoria has thus less than six weeks to line up candidates, see that from twenty to thirty thousand names are enrolled on the voters' list, carry on a political campaign and in the course of it deal with such issues as there are in the Federal arena. For these tasks the time is limited, which means that the parties that intend contesting the by-election should have their candidates before the people at the earliest possible moment.

TRAFALGAR

The story of Trafalgar is incorporated into all history taught to British peoples. It is an inescapable fact in the destiny of the race because it established once again, as was demonstrated long before in the fateful days of the invasion of the Spanish Armada, British supremacy on the seas. This anniversary finds a responsive strain in every true British heart. It is well that it should be commemorated, for it recalls how the White Ensign was made the symbol of liberty throughout the waste of world waters.

From the 17th century onwards the British Navy was divided into three squadrons, each of which wore an ensign of a different color—red, white or blue. It was at Trafalgar that the whole of Nelson's fleet wore the White Ensign, because Nelson was a Vice Admiral of the White. Because of this association, the White Ensign was ultimately chosen as the one color of the Royal Navy. It is true that it was so chosen for convenience rather than because of tradition, but the Navy can still draw inspiration from the undoubted fact that it fights under the color which Nelson bore in the most decisive sea victory of modern history.

The spirit of Nelson still survives. He was the sea leader above all others who knew when to be rash and how to be rash, because he always studied his enemy well. It is recalled that his rashness was a source of concern to his fellows, and how one envious admiral said to King George III: "Sire, that Commodore Nelson of yours is mad." "Mad, is he?" replied the King. "I wish to heaven he would bite some of my admirals." Mingled with whatever "madness" he had there was deep religious feeling, and to him, more than any of his glorious predecessors on the sea, it is to be credited that spirit which has inspired the British Navy ever since his days. That spirit is exemplified in the prayer he wrote in his cabin in the dawnlight of the day of Trafalgar, the 132nd anniversary of which this is:

"May the Great God Whom I worship grant to my country, and for the benefit of Europe in general, a great and glorious victory, and may no misconduct in any one tarnish it, and may humanity after victory be the predominant feature in the British Fleet. For myself, individually, I commit my life to Him that made me, and may His blessing alight on my endeavors for serving my country faithfully. To Him I resign myself, and the just cause which is entrusted me to defend. Amen, Amen, Amen."

OUTBREAKS IN PALESTINE

What turn events will take in Palestine with the escape into Syria of Jamin El Hussein, Mufti of Jerusalem, is the subject of concern to the British authorities who have been forced to take drastic measures to suppress the renewal of Arab terrorism in the Holy Land. Other Arab leaders who were believed responsible for the latest outbreak were arrested as soon as the outbreak occurred. The Mufti, who is also president of the Moslem Supreme Council, of the Arab High Committee and of the Palestinian Arab party, escaped arrest and possible deportation by hiding in the Mosque of Amar. Police were unwilling to enter the holy place and so desecrate it in the eyes of his thousands of followers. Finally the Mufti found a chance to escape, and suddenly he turned up in Syria beyond the reach of the British authorities.

That the Mufti had a part in stirring up new trouble seems certain. As an extremist he has long been popular with the masses, while his ecclesiastical position adds greatly to his influence. His bitterness against British control and against the Jews for their colonization of Palestine was increased by the proposal to divide the country into three states, two of them non-Arab. Adoption of the scheme threatened to reduce his power substantially, for he saw the probability of the Arab state, by its fusion with Trans-Jordan, being ruled by Emir Abdullah, friend of Raghib Bey Nashashibi, head of the National Defence Party and formerly Mayor of Jerusalem. A bitter feud has been raging between the Nashashibi and Hussein families for many years. The partition plan, the Mufti fears, would result in his enemy becoming Premier of the Arab state. At the time the Peel Commission report recom-

mending partition was made public, Mr. Joseph M. Levy, New York Times correspondent in Jerusalem, predicted trouble for the authorities from El Hussein. The Mufti manoeuvred things in such a way as to place on the Arab Kings the responsibility of accepting or rejecting the partition scheme. He called a meeting of the Arab High Committee which adopted a resolution appealing to the Arab Kings for advice, thereby exonerating himself from any responsibility and providing himself with ample time to organize his followers. Recent developments would indicate that El Hussein has been busy since last July with his activities culminating in the current disorders. With his base of operations now outside of Palestine, it remains to be seen what success he will have in his efforts to complicate matters further for the British Government.

CRIME INCREASING

The Mainland jails are crowded and more accommodation is needed. Here is a new problem for the Provincial Government as it is faced with increasing lawlessness. Obviously whatever that Government is doing, it is not barring up the avenues which are leading so many to the dock. The problem of Provincial jurisdiction in dealing with the crime situation in Vancouver is not growing less grave. The responsibility in the end belongs to the Attorney-General's Department; it is only a delegated one where municipalities are concerned. Municipalities are only able to do what is being done through very restricted sources of taxation, and what it has been possible to do in Vancouver is far from being enough, because crime remains unhealthily prevalent in that city. It is because of this that both that city and the Provincial jails are overcrowded. If the Provincial Government has to find additional jail accommodation because of crime conditions in Vancouver, that means the taxpayers of the Province as a whole are the sufferers. It would be better that they should be the paymasters in insuring that crime is checked in the Mainland city.

In the United States the people hold the distinction of writing more letters than any other nation in the world. That is probably due to its inhabitants being drawn from so many places and their desire to write to their relatives abroad. Someone has compiled statistics on letter-writing and the estimate of all written is 65,000,000,000 annually. Editors of newspapers believe that they receive more than their due share.

When the Government of Alberta brought down its latest legislation for the taxation of the banks, involving additional imposts of \$2,000,000 a year, Mr. E. C. Manning, the Provincial Treasurer, explained that there was no cause for alarm. "This is a very simple matter," he said. "The banks are in the very fortunate position of being able to meet taxes and other obligations by merely writing a cheque on themselves." Such a cynical ignorance in one in authority is a travesty on the conception that this is an enlightened age.

The answer of the head of the Canadian Broadcasting Corporation to the argument that political broadcasting should be curtailed is that such a move would affect the revenue of private stations. This apparently is considered more important than the popularity of Government-controlled radio in the Dominion, and yet it is unquestionable that such popularity will suffer through the constant reiteration of political mouthings.

A cause may be inconvenient, but it's magnificent. It's like champagne or high shoes, and one must be prepared to suffer for it.—Arnold Bennett.

Man is neither by birth nor disposition a savage, nor of unsocial habits; but only becomes so by indulging in vices contrary to his nature.—Plutarch.

As for a future life, every man must judge for himself between conflicting vague probabilities.—Darwin.

Note and Comment

By Sandham Graves

"Deeply sensible of their solemn duty to promote the welfare of mankind," persuaded that the time has come when a frank renunciation of war as an instrument of national policy should be made to the end that the peaceful and friendly relations now existing between their peoples may be perpetuated—the preamble of the Kellogg-Briand Pact, dated August 27, 1928, reads peculiarly today.

Signatories of the Kellogg Pact included: "The President of the German Reich, the President of the United States of America, His Majesty the King of the Belgians, the President of the French Republic; His Majesty the King of Great Britain, Ireland and the British Dominions Beyond the Seas, Emperor of India; His Majesty the Emperor of Japan, the President of the Republic of Poland, the President of the Czechoslovak Republic." That was nine years ago. Look how well the world has renounced war as an instrument of national policy.

The Nine-Power Pact of February 6, 1922, to guarantee peace in the Far East, began this way: "The United States of America, Belgium, the British Empire, China, France, Italy, Japan, The Netherlands and Portugal, desiring to adopt a policy designed to stabilize conditions in the Far East to safeguard the rights and interests of China, and to promote intercourse between China and the Powers upon the basis of equality of opportunity, have resolved to conclude a treaty for that purpose."

Notice that it is not how they begin that make treaties so important. It is how they end. Again the world has cause to remind itself that it is not what a man or a nation says, but how and with whom they walk that counts. The British Empire, if any Commonwealth did, tried renunciation of war, and led the way into disarmament. How and by whom was it followed? You have part of the answer now. Time will supply the rest.

How is your approach to life, or have you begun living yet? I have been disturbed by the number of things we are approaching of late. We don't seem to get any nearer. We just approach. One would think that after a good drive, a maulie or nibling shot, we would be there, or nearly there. Not at all. We are still approaching education. We are approaching social security. We are approaching preventive medicine, physical recreation and association football for girls.

We approached the new toll bridge a long time ago, and look what it cost us. We have been approaching state health insurance since 1927, and it seems farther off than ever. Perhaps we may be headed in the wrong direction. Perhaps if we started to retreat, we would get nearer to the goal of our desires. Maybe if we took off some of the taxes, people would get ahead. Anyway, I am tired of the approaches. We should have arrived by now.

There really are brain-waves. For long I have doubted it, but conclusive proof has been furnished in a number of experiments with "thought detectors." For instance, at a middle-western university the other day a professor of psychology examined a number of his pupils. He placed them one by one on a couch in a small room, with wires attached to the lobes of their ears and to the top of their heads, and then stepped up the current of their brain-waves by electrical amplification, radio-wave. He found, what others before had also suggested, that the brain of a normal healthy person pulsates ten times a second, the waves setting up minute electric currents which can be relayed and measured elsewhere. Never mind the device and its complications, but listen to some of the professor's findings. The waves, or pulses, or electrical emanations from the brain, vary from as low as four waves a second to forty a second. It does not seem to make any difference if the pupil is engaged in creative thought or in a condition mentally blank; indeed, the professor avers that the best creative thought comes from people while they are either asleep or mentally blank. Do you know I have long suspected that. That would explain a lot. It might even explain some of the experts, and just look at their creations.

A legislative session, like the calendar, has its seasons. Next week the House will start out into the Spring of its year, filled with high hopes and firm resolves. Let a week more pass and it will swell in the Summer heat of argument, grilled on the dancing figures of the budget. Yet another seven days, and it will reach the Autumn with its harvest, with hopes falling like leaves from a tree, and resolves ploughed under until another year. Then comes the Winter of the session, the time when the chill wind of reality cuts through all pretensions and stirs a small pile of freshly-printed bills—acts to amend yet other acts. Of course, there will be the Supply Bill, but give it time and it will speak for itself.

The Observation Car

By THE EDITORIAL STAFF

Changes in Transportation

The good people of this pleasant and picturesque city will soon have the privilege of making their wishes known regarding transportation to and from their residences and places of business. They will be asked to indicate if they will ride in buses or in trams; whether they will follow the precedent of New Westminster, or, in effect, maintain the status quo. The street car crowd these past few days have wondered if the change will make higher fares a necessity; whether in the event of a change electrical buses will be used; whether there will be a greater or less danger on our streets because of the possibility of increased motorization. "I would hate to see our street cars go," said one old-timer. "Victoria would not be the same without them."

Glancing Over Sport

Do you know the Pittsburgh Pirates will be completely broken up during the Winter trading in the majors? Except for pitchers Bauers, Tobin and Bowman, Catcher Todd, and Infielders Brubaker and Handley, they will trade the works, Waners and all. Arky Vaughan, shortstop, is definitely on the block. On November 2, in Montreal, an all-star hockey team will oppose a team comprised of the Maroons and Canadiens in a benefit for the late Howie Morens, who died last season. Nothing the National Hockey League can do for Howie will be too good. The great centre flash of the Canadiens helped the circuit financially as he blazed up and down the Winter arenas, giving his best for more than ten years. Morens' wife and family deserve all the consideration the league can possibly give them, for Howie went into the world beyond still in harness. It appears now that Lionel Conacher has quit big time hockey for politics. The "Big Train," as he is known in athletics, was one of the greatest athletes Canada has ever produced. He starred at every game he went into, and now he has deserted the hard way of making a living to sit in the House in Ontario. . . . The mystery man of golf, John Montague, went out the other day, fired a 66 over a course in a friendly match, and they say he wasn't hitting ball very good from the tees.—J.D.

Unfavorable Publicity

A United Press article with a Victoria date line in a recent issue of a New York newspaper stated: "British Columbia, through its ever-increasing divorce totals, is living up to its reputation gained in recent years as the 'Reno of Canada.'" The article explained there were 433 divorces in the province out of a total population of 735,000 in 1936. There is little possibility of there being a "Reno of Canada." Canadian laws stand in the way of such an unfavorable allegation. . . . And now for some return publicity. The following answers given to questions by freshmen at Baylor University, Waco, Texas, appeared in the city's largest newspaper: Oxygen, an eight-sided figure; Nero, means nothing; Homer, a type of pigeon; Ulysses Grant was a tract of land over which Civil War battles were fought; quorum, a place where fish are kept; vegetarian, a horse doctor. Apparently the freshmen were not so fresh. . . . Horace told us the real secret of success was to make hay with the grass that grew under other persons' feet. Perhaps our rotund friend knows more about farming than we do.—G.B.

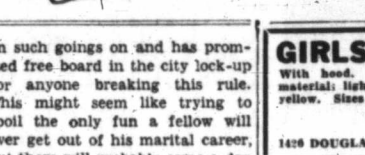

It's the Gipsy in Them

We hope this startling condemnation will not get us in wrong with Dan Cupid, newlyweds, or any couple contemplating "going off the deep end." Noisy wedding parades through the residential districts—that's the complaint. As there are very few of them in the late morning, they don't affect our sleep, but thousands of other regular-living Victorians have their slumbers torn asunder by the continuous blaring of horns as they "wined and dined drivers" wend a circuitous route wherever fancy directs them. The city of Reading, Pa., has turned thumbs down

SIR JOHN TIMPSON DEAD

COWPLAIN, Hampshire, Oct. 20. —Sir John Timpson, seventy-four, mayor of Portsmouth from 1918 to 1921, died yesterday. He was director of several transport companies and governor of Royal Portsmouth Hospital. He was knighted in 1922.

USED TO WAKE UP WITH A HEADACHE

Now Fresh and Lively Every Morning

Here is a man who woke up every morning with a dull headache. Then Kruschen transformed his days. Read his letter:—

"I used to wake up in the morning with a dull headache. A year ago, I started taking Kruschen Salts regularly. Today, I wake up fresh and lively and can do my day's work without any exertion. I can recommend Kruschen for anyone suffering from headaches and constipation, and for putting new life into you. I intend to continue with Kruschen for the rest of my life."—E.P.

Headaches can nearly always be traced to a disordered stomach, and to the unsuspected retention in the system of stagnating waste material which poisons the blood. Remove these poisons prevent them from forming again—and you'll never have to worry any more. And that is just how Kruschen Salts bring quick and lasting relief from headaches. (Adv.)

RADIO WEEK DRAWS MANY TO VIEW NEW MODELS EXHIBITED

Radio Fans Flock to Local Dealer Showrooms to See and Compare 1938 Sets—Many Outstanding Advances Made in Radio Engineering—Automatic Tuning Featured Throughout

RADIO Show Week, a special event inaugurated by Victoria radio dealers throughout the city, is now in full swing and hundreds of fans are drawn daily to the showrooms of the different firms, eager to see and compare the 1938 sets, now on display. Many are the new features and improvements introduced in every line, with automatic tuning, either electrically or manual controlled, a leader in practically every case.

Never before has there been such a wide range of cabinet designs to choose from and this season the selection may be made from a point of sheer beauty of appearance in addition to the brilliant performance offered.

GENERAL ELECTRIC
An outstanding display has been made by Macdonald's Electric, Ltd., on the corner of Douglas and View Streets. Here the showrooms are given over entirely to the 1938 General Electric presentation this year has many outstanding features, prominent among which being the touch tuning. It is only necessary to touch a button to bring in a pre-selected station and facilities are provided for use of remote control, which enables the listener to select the station while seated in an armchair. The touch of the switch sets in motion a G-E motor which automatically tunes the desired station, and when that is reached, instantly and accurately, the motor goes out of operation.

The performance of the metal tubes is another point stressed by those handling General Electric. Clarity and richness of tone, greater reliability, wider tonal range and a longer life to the tube itself are found in these improved tubes. Simplicity in tuning is found in the new dials, apart from the feature of automatic tuning. In the cabinets the designers have used mahogany throughout, both for beauty and on account of the acoustic qualities found in this particular wood.

PHILCO FEATURED
The B.C. Electric salesrooms on Douglas Street have attracted many visitors with the showing made of Philco, Rogers and General Electric magic-tone radios. Philco prominently features the automatic tuning, embodying, among other major advances Philco's new inclined control panel. This innovation is claimed to give complete tuning ease and grace, whether the operator is standing or sitting before the set, as cone-centric tuning, allows any one of a number of pre-selected stations to be brought in with the flick of a finger, tuned in with absolute precision. Another feature introduced in the Philco models is the inclined sounding board, insuring absolute fidelity in tone reproduction. A wide range of models from mantel sets to the big fifteen-tube de luxe sets are included in the line, giving a selection designed to suit the needs of every home.

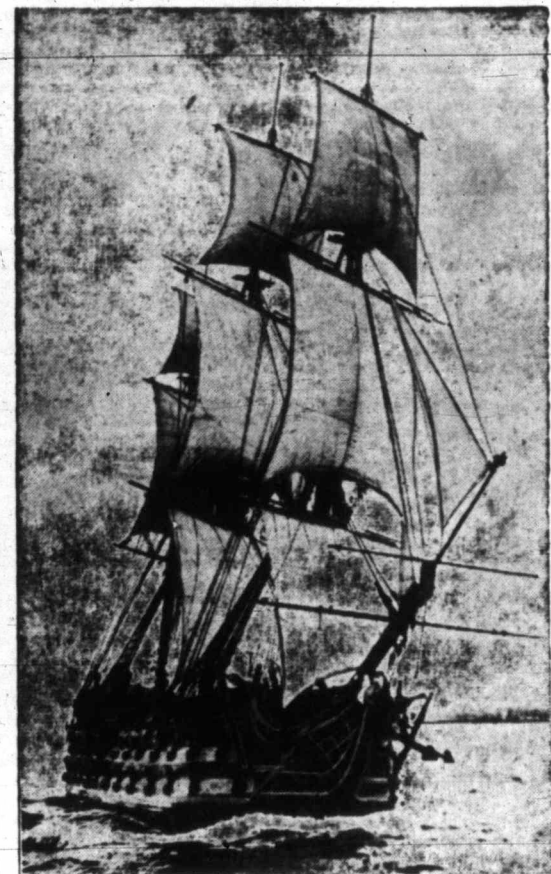

The display of Rogers radios brings yet another form of automatic tuning to the radio field, whereby with a turn of a switch the desired station is brought in with uncanny accuracy. It is so designed that it may be operated in the dark; so simple that a child can use it. The target-type dial is also a great improvement, simply read and easily tuned. The dial is of flat glass, revolving so that only the one hand being used is visible. Brilliantly lighted, the tuning indicator and large numerals are plainly seen from the distance of a few feet.

To Demonstrate Battery Testing

Interesting and educational demonstration of battery testing equipment in actual performance will be given by the Continental Battery Sales Company at 8:30 this evening, in their showrooms at 633 Broughton Street.

Several representatives of the company will be present to talk of the merits of the battery making and production methods. After the demonstration, refreshments will be served at Speedie's Cafe.

Nelson's Ship at Trafalgar

H.M.S. VICTORY

Sailing to battle the French 132 years ago, today, the enemy's fleet was encountered off Cape Trafalgar, and decisively beaten by the British squadron commanded by Lord Nelson, England's greatest sea hero. The victory was dearly bought, for during the action the famous sailor was mortally wounded and passed away.

PLANS MADE FOR COUNCIL SESSION

Meeting May Be Held at 4 o'Clock Tomorrow Afternoon Instead of Monday Night

Tentative plans for a City Council meeting at 4 o'clock tomorrow afternoon were announced at the City Hall yesterday afternoon. The meeting would replace one set for next Monday evening.

Matters to be considered include acknowledgement from the Provincial Government of the city's plea for restoration of grants and new sources of revenue; an invitation to attend Remembrance Day service at Christ Church Cathedral on November 7; a request from the school board that safety lanes be repainted at Burnside School; an offer of Claude L. Harrison to exhibit seventy colored lantern slides of Thetis Lake; a health department report for July to September, and a letter from George J. Yoxall, withdrawing his tender to repaint the grandstand at Royal Athletic Park.

TRIBUTE TO NAVAL HERO

Local Historian Presents Picture of Nelson on Anniversary of Trafalgar

By MAJOR F. V. LONGSTAFF
Why should we celebrate Nelson's victory at Trafalgar of 1805 in this year of 1937? Because the danger of invasion of Britain and destruction of the Empire trade was then an imminent peril, a greater peril than the one we are faced with today. For proof, read the contemporary history of those times, 1800 to 1805.

The highest idea of duty is found running like a golden thread through the letters and dispatches of Horatio Nelson, from the time of midshipman to vice-admiral of the Blue. Nelson, throughout his service, was a real scout, though of course the Boy Scouts and Girl Guides had not then been thought of. He was always looking ahead and preparing for any eventuality which might come. As a captain he was always glad to receive suggestions from junior officers, and if the result was good he gave credit officially to that officer.

As a flag officer Nelson prepared the captains of his squadron to carry out new plans for fighting the enemy by concentration of superior force on a portion of their line. At the same time he expected certain variations or adjustments to be made during each action to suit the special conditions. Though many times he suffered from bad health and depression, yet his love of duty carried him along the difficult road to ultimate victory. He died in the fast-sailing line-of-battle ship Victory, which is still to be seen in a drydock at Portsmouth, with his very cabins restored to the condition of Trafalgar time.

Admiral Sir Geoffrey Phipps Hornby was really the first flag officer to recognize in Nelson not only the national hero, but the consummate tactician; and how emphatically he insisted that the principles Nelson enunciated and illustrated were, in spite of all changes, as true in 1886 as they were during the years Nelson served as a flag officer. This was the same Hornby who commanded the frigate Tribune at Esquimaux, in 1859, from China, and the Flying Squadron in the same harbor in June, 1870.

To those who wish to enter into the character and actions of Nelson, the "leader," there is nothing like reading the seven volumes of his letters and dispatches by Sir N. Harris Nicolas, published in 1845. There is, of course, the one-volume work by Professor J. K. Laughton, published in 1886, of some 440 pages.

REPORT SUCCESS IN MANY CASES

Several instances of success in pension cases were given by the pension committee of the Britannia Branch, Canadian Legion, at a special meeting of the unit on Tuesday evening.

One case that had been pending for over a year was reported brought

ARE YOU ONLY A THREE-QUARTER WIFE?

THERE are certain things a woman has to put up with and be a good sport.
 Men, because they are men, can never understand a three-quarter wife—a wife who is all love and kindness three weeks in a month and a hell out the rest of the time.
 No matter how low your back aches—no matter how loudly your nerves scream—don't take it out on your husband.
 For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three weeks of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."
 Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and go "Smiling Through."

to a very satisfactory settlement. Another adjustment is also being made in the case of an Imperial veteran, who will shortly be given his examination. A satisfactory adjustment has been reached in two war veterans' allowance cases, following an interview with Col. W. S. Woods, chairman of the War Veterans' Allowance Board, during his recent visit to the city, the meeting was told.

The committee also announced it had received reimbursement for medical expenses in connection with one of the members.
 Delegates to the Canadian Legion convention, last summer, also presented their reports.

GRAND RALLY TO AID GOOD CAUSE

Meeting in Interests of Community Chest to Be Held Sunday Night

The enthusiasm generating in Community Chest circles will reach a climax on Sunday night in a grand rally to be held at 9 o'clock in the Capitol Theatre, when Rev. Dr. W. O. Wilson will occupy the chair and introduce the speaker of the evening, R. L. Maitland, K.C., M.P.P., elect for Vancouver-Point Grey.

Well known as a public speaker of force and eloquence, Mr. Maitland was specially invited to address this meeting because it was felt he could deal with the subject from the standpoint of intimate experience of the operations of the Vancouver Community Chest.

Both the Bishop of Columbia and the Bishop of Victoria have kindly consented to be present also to voice their endorsement of Victoria's newest community enterprise.

The musical numbers will be provided by the choirs of the First United and Metropolitan churches, and several of the city's most popular musicians will take part as soloists: Mrs. W. H. Wilson, Miss Carol Menzies, William Fyfe, James Petrie and Dr. T. Harry Johns.

An interesting feature of the rally will be an organ recital from 8:45 to 9 p.m., when Edward Parsons will use the new Northern Hammond electric organ which has been generously lent for the occasion by Fletcher Bros., Ltd.

Citizens wishing to attend are advised to arrive before 9 o'clock.

GIRL IS PINNED UNDERNEATH CAR

Suffering from a possible fracture of the left leg and painful bruises sustained in an automobile accident on Douglas Street, Miss Irene Orr, 54 Sims Avenue, Saanich, was conveyed to the Jubilee Hospital in a C. & C. ambulance at 10 o'clock last evening. She was attended by Dr. George Hall.

According to a report of Sergeant Kenneth Cummings, Saanich police, Warren Humphrey, Qualicum Beach, was driving the automobile in which Miss Orr was injured. Other passengers were Miss Nellie Green, 868 Brett Avenue, and John McLaughlin, Qualicum Beach.
 Sergeant Cummings stated Humphrey was driving north on Douglas Street and when near Cloverdale Avenue, his machine left the road. It skidded, tore up an earth bank for a distance of fifteen feet, and rolled over on its left side. Miss Orr was pinned under the machine. Others escaped uninjured.
 Several persons who witnessed the accident lifted the automobile bodily onto its wheels to extricate Miss Orr. The left side of the machine was badly damaged.

City and District

Right-of-Way—Application for a right-of-way for the Western Commercial Lumber Company, Ltd., and the Goldstream Logging Company, Ltd., on a section of the Goldstream watershed area, is sought in a letter received at the City Hall yesterday.

Care Collide—Automobiles driven by William N. MacDonald, 1720 Haultain Street, and Richard Martin, 1234 Balmoral Road, collided at the intersection of Bay and Cook Streets at 5:30 o'clock last evening. Both machines were damaged.

Plan Dinner—Plans for a good-will dinner to Mayor Andrew McGavin and the City Council were discussed yesterday afternoon. It is expected the affair will be held late this month or early in November.

Former Members Here—Three members of the last Legislature registered at the Empress Hotel yesterday. They were G. M. F. Plante, Peace River; L. A. Hanna, Port Alberni, former deputy speaker, and S. S. McKeen, Vancouver.

Offers Too Low—Uncertain market conditions delayed sale of \$46,000 worth of bonds held by the city to assist in meeting a \$47,000 maturity which fell due last week. Offers were considered too low to accept. The maturity was cared for through arrangements with the bank.

Bakery Entered—Frank Masters, 1729 Cook Street, informed police early yesterday morning that his bakery had been entered by breaking a window. Nothing was reported missing. A Chinese found in possession of a stolen automobile will be charged with the offence.

Council Committee—A meeting of the City Council water committee will be held at 10:30 o'clock this morning. The relief committee will gather at 2 o'clock in the afternoon, the court of revision of the assessment roll at 3 o'clock, and lands committee at 3:30 o'clock.

Police Radio—Police commissioners of Oak Bay, Saanich, Esquimalt and the Provincial Police have been invited to attend a meeting to discuss police radio equipment at 2 o'clock tomorrow afternoon. The conference will be held in Chief Thomas Heatley's office at the police station.

Car Recovered—An automobile stolen from H. L. Beaven Tuesday morning was found yesterday morning on Fernwood Road, near Haultain Street, by Sergeant Sidney Wilkinson. A Chinese found asleep behind the wheel of the machine will face a charge of theft in Oak Bay police court tomorrow.

Refunding Plan—A number of holders of City of Victoria bonds have consented to the refunding scheme. Mayor Andrew McGavin stated yesterday. Full data on the plan and consent forms may be obtained from the city comptroller, or at the offices of Charles S. Henley, 723 Fort Street.

NON-INTERVENTION DEADLOCK BROKEN

Continued from Page 1

1. Withdrawals to begin—probably in equal numbers from among foreigners fighting with the insurgents and the Government in Spain. The sub-committee will meet tomorrow afternoon to establish this point definitely.

2. A commission will go to Spain to report on the numbers of volunteers and a system for their evacuation.

3. Complete evacuation to be undertaken.

4. An independent authority, probably the Non-Intervention Committee, to decide the moment when belligerent rights should be granted.

FITS OLD FRAMEWORK
 British officials said the entire scheme fitted into the framework of the British proposals advanced July 14.

They asserted Foreign Secretary Eden pinned down the Italian ambassador to this procedure by a pointed question, to which he received an affirmative reply.

Both Count Grandi and Dr. Ernest Woermann, the German delegate, in their speeches at the sub-committee session failed to say they would wait until a general withdrawal had started before again demanding granting of belligerent rights. They did make it plain, however, they would not press a demand now.

EDEN GRATIFIED

Mr. Eden declared: "I am gratified at the accomplishments and attitude at this meeting. I feel sure that if, at the next meeting of the sub-committee, we make as much progress as we did today, we shall have gone considerably toward solving our problems."

The development was interpreted as strengthening the Foreign Secretary's hand in combatting expected Opposition attacks on the Government's policy in the Spanish problem when Parliament reopens tomorrow.

JAPANESE CLAIM SLIGHT GAINS

Continued from Page 1

A spokesman scoffed, however, at reports Japanese were withdrawing in Shantung Province, eastern route of their southward drive. Chinese reports from Shantung said General Han Pu-chu's provincial forces have retaken lost positions near Tchow on the Tientsin-Pukow railroad, without heavy fighting.

One interpretation of the reported Japanese about-face was that overtures had been renewed between the Japanese and General Han. Japanese officials, however, said "our latest information is that Han is very anti-Japanese."

DIFFICULT BARRIERS

A Japanese spokesman, reporting "slight gains" on the Shanghai front, asserted Japan's slow progress

Chinese bomb set fire to a British-owned Jardine Matheson Shipping Company warehouse at Shanghai. (A Japanese spokesman told Havas that Japanese warships "virtually destroyed" the Chinese fleet in South China waters, sinking twelve men-of-war in the last five weeks. He declared only about a dozen enemy vessels of the Canton squadron remained intact, and these had fled to Macao, in Portuguese territory.)

MAKES DESPERATE EFFORT AT RESCUE

David dragged him ashore and tried artificial respiration but his efforts were futile. He went into the frigid lake again to try and help his mother but after getting her partly to shore he tired and she sank.

The boy returned to the tent and covered himself with a blanket, attempting to dry his clothes without a fire for he had no matches. Spending Sunday night in the tent, he wandered about Monday seeking additional shelter and food. The overturned canoe had come ashore and he salvaged a half-pound of butter and some tea. Later he located some dry matches and was able to dry his clothes.

He spent another night in the tent and Tuesday he ventured across the lake again in the canoe to Oldson's wood camp where the watchman gave him a meal. Then the hardy youth walked fifteen miles into Kenora and told police of the tragedy. Police recovered the bodies.

Various Phases of Institute Work Are Reviewed at Rally

J. B. Munro, Deputy Minister of Agriculture, Compliments Women Upon Undertakings—Mrs. MacLachlan Speaks on Value of Handicrafts

Mr. J. B. Munro, deputy minister of agriculture, addressed the delegates attending the annual conference of the South Vancouver Island Women's Institutes yesterday afternoon at the institute headquarters, Fort Street, and congratulated the members upon the work accomplished during the past year. He spoke of the value of Women's Institutes in general, and dealt with specific phases of institute work. Its influence in any community was of value, Mr. Munro said.

He also spoke of success of the junior club work on the Lower Mainland.

GARDEN CLUB

Perennial garden clubs, too, were responsible for a healthy community spirit in some centres, members of these clubs sharing and exchanging plants, and thus encouraging the cultivation of gardens and a love of things that are beautiful, Mr. Munro said.

He suggested that the institutes bear in mind the "buy-at-home" slogan and at the same time he discouraged the idea of boycotting. A number of interesting anecdotes about old-timers and Indians gave special interest to his address. On behalf of the delegates, Mrs. C. T. Robson, Vimy Institute, moved a hearty vote of thanks to the speaker.

VISIT WINERIES

At the close of the afternoon session, the delegates visited the premises of the Growers' Wine Company, Ltd., at Lake Hill, where they were received by Mr. Herbert Anson.

and shown over the plant. Later they went to the Lake Hill Institute Hall, where the business session was continued and reports of institutes in outlying districts were read.

Among these were the reports of Shawigan Lake, Sooke, Cobble Hill, Shirley and Saltair. Each had something of interest to contribute, Shirley making a point of being in favor of the teaching of first-aid in the schools. Saltair Institute had concentrated its interest upon caring for the aged of the district, and gave instances of help given towards brightening the lives of many aged persons.

The delegates were guests of Lake Hill Institute at supper, the beautifully-decorated tables being supplied with a bountiful repast, and the appreciation of the guests was expressed by Mrs. William Peden. Regret was expressed that ill-health prohibited Mrs. J. D. Gordon, a former provincial president, from attending the meeting.

TALK ON HANDICRAFTS

At the morning session, Mrs. V. S. MacLachlan, superintendent of Women's Institutes, spoke on the subject of handicrafts, and told of the call made for them by tourists. A small venture started on the trans-Canada Highway at Hope by Mrs. M. A. Barber, provincial convener of home industries, had met with great success. In a little craft centre there, Mrs. Barber had sold goods to the value of \$100 in six weeks to tourists passing in their cars. But she found the demand exceeded the supply, and was asking all the institutes to work through the winter on the making of small woven runners, dollies and centrepieces, pottery and similar articles easy to carry and suitable for souvenirs.

Another craft centre was being started on Highway Hill, on the way to Blaine, indicating the growing interest in handicrafts, said Mrs. MacLachlan, and the opportunity offered to crafts-women to dispose of their work. She also reviewed the general work of the institutes, with particular attention to the value of the dental clinics being carried on in the rural communities.

Mrs. MacLachlan also urged the W.I. to work towards the establishment of a chair of home economics at the University of British Columbia, declaring that girls now have to leave the province to get such training.

MAYOR TENDERS WELCOME

Mayor Andrew McGavin welcomed the delegates on behalf of the city, paying tribute to their splendid community service and wishing them every success in their undertakings. Rev. A. E. Whitehouse gave the opening prayer.

Dr. Olga Jardine, president of the Local Council of Women, brought greetings from that body, noting the big contribution which the institutes made to the work of the council, and Mrs. J. L. White, vice-president of the Provincial W.I. Board, welcomed the delegates in its name.

The delegates were the guests of the city at luncheon at the Empress Hotel at the close of the session. The conference will continue this morning and afternoon in the institute rooms.

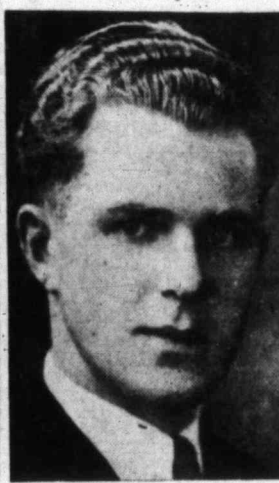

Frances Willard W.C.T.U. A meeting of the Frances Willard W.C.T.U. will be held this afternoon at 3 o'clock, at the home of Mrs. A. H. Rogers, Summit Avenue.

Wedding Will Take Place in November

MISS ENID ROSABELLE CHURCH

The marriage will take place in Chown Memorial Church, Vancouver, on November 6, of Miss Enid Rosabelle Church, second daughter of Rev. E. F. and Mrs. Church, Vancouver, and Mr. Donald Herbert McCain, only son of Mr. Herbert McCain, Elford Street, Victoria. The bride has many friends in Victoria where, for six years, her father was minister of Metropolitan United Church.

Anniversary Banquet Held

A banquet was held at the Hudson's Bay Store Monday evening, by the Women's Benefit Association and was attended by a large number of members and friends. These banquets are held annually in October, on the anniversary of the founding of the order, this year being the forty-fifth birthday.

A toast to the King was given by the president, Mrs. Jean Bowden and the National Anthem was sung. A toast to the order was given by Mrs. M. A. Todd, the members responded by singing the W.B.A. song. The presidents of the different auxiliary clubs spoke regarding their work, Mrs. G. Winter for the pioneers; Mrs. A. Barracough, the girls club, and Miss F. Malcolm, the juniors.

Before closing a hearty vote of thanks was given the Hudson's Bay Company for its excellent service. After the banquet, the members adjourned to the A.O.F. Hall, where a short business meeting was held. Mrs. Bowden, president and Mrs. Annie Barracough, vice-president, were installed, and they will hold office for the remainder of the year. Financial reports for September were read. A sale of work will be held in St. Anne's Hall on November 16, with Mrs. Barracough as convener, assisted by the following committee: fancywork, Mrs. Thomson and Mrs. Burnett; aprons, Mrs. G. G. Grosse, Brighton Avenue, the wedding having taken place at St. Paul's Church, Nelson, B.C., where the bride and groom will make their home.

Successful Party Held By Alumnae

The gratifying sum of \$100 was realized from the annual bazaar of the Jubilee Hospital Alumnae held yesterday afternoon at the Nurses' Home, the affair being well patronized and thoroughly enjoyed by all who attended.

Mrs. T. W. Walker, wife of the superintendent of the hospital, opened the bazaar with a few gracious remarks in which she outlined the work which the alumnae undertake each year in the interests of the hospital. Noteworthy among its achievements was the presentation of scholarships for post-graduate work, the maintenance of a six-bed ward in the hospital and Christmas cheer for the patients of this ward. In addition, the alumnae has furnished the sitting-room in the Nurses' Home and takes care of the renewal of the furnishings. All these objects were worthy of special commendation and of liberal support, Mrs. Walker said. She wished the members every success in the afternoon's undertaking and at the conclusion of her remarks, she was presented with a beautiful corsage bouquet of pink rosebuds.

WELCOMES GUESTS

Mrs. J. H. Russell, president of the alumnae, welcomed the guests, and was assisted by Mrs. Walker, Mrs. W. H. Bullock-Webster and Miss Rossiter, as hostesses. The tea table, arranged with a silver basket of roses on a rose-embroidered cloth and illuminated by pink candles in silver holders, was presided over by Mrs. Arthur Aylard, Mrs. H. G. Lancaster and Mrs. B. G. Goward. There were stalls of attractive novelties, home-made dainties, candy, handkerchiefs and a fish pond.

Mrs. Rose won the doll; Mrs. Walker and Mrs. L. Carruthers, the cake, and Mrs. T. J. Johnson the bridge cover. Mrs. A. Dowell was tea convener. The nurses' recreation room, in which the party was held, looked particularly attractive with its decorations of chrysanthemums and Autumn foliage and the cheerful warmth of blazing logs in the fireplace.

Clubs-Societies

Wilkinson Road W.A.

The monthly meeting of the W.A. of Wilkinson Road United Church was held on Tuesday afternoon at the home of Mrs. G. Jones, Carey Road. Mrs. J. Hoy presided, and encouraging reports were received from the secretary and treasurer. The Thanksgiving supper was well attended and successful. Plans for a concert and box social, to be held in the Sunday school room on Friday, November 26, were discussed, and a good programme is being prepared for that evening. The next meeting will be held at the home of Mrs. W. J. Quick, Wilkinson Road. Refreshments were served and a social time enjoyed, when the hostess was assisted by Mrs. W. J. Jewell and Miss Eva Jones.

Pro Patria W.A.
An enjoyable social evening was held by the Pro Patria W.A. in St. Ann's Hall, Blanshard Street, on Tuesday evening. Court whist was played and the prizes won by Mrs. E. M. Jones, Mrs. G. Kemp, Mrs. W. Harrison and Mrs. J. Smith. The winner of the game was Mrs. Tom Davies. Refreshments were served

Presbyterian W.M.S. Is Encouraged by Reports

Encouraging reports were read at the Fall rally of the Victoria Presbyterian Church yesterday afternoon at St. Andrew's Presbyterian Church, Mrs. M. R. Thomson, Vancouver, Presbyterian president, in the chair.

Mrs. Thomson gave a report of the Dominion Council conference in Toronto in June, where it was noted that work in all departments of the home and foreign mission fields was showing marked improvement and finances were steadily improving. Changes had been made by the council to simplify the work, and it had been decided to hold the annual meeting in the Fall instead of in June.

Importance had been laid on the importance of continuing to support the Golden Mite Boxes in aid of the retiring fund for missionaries. Among the missionaries on furlough at the conference had been Miss Helen Douglas, who will return to India this Autumn, accompanied by Miss Lees, Vancouver. Miss Gamon

and Miss Gibbs will leave to carry on mission work in Manchuria.

PRESENTATION MADE

An interesting incident at the rally was the presentation of an honorary life membership to Mrs. R. A. Brown, one of Victoria's pioneer citizens, who has been active in W.M.S. work for the past sixty years. Mrs. Thomson made the presentation and Mrs. A. A. MacKinnon introduced Mrs. Brown, who replied very charmingly, expressing her sincere thanks to the Presbyterian for the honor bestowed upon her. Two verses of "Bless Be the Tie That Binds" were sung.

The treasurer's report was read by Mrs. H. Warren, showing that the funds were well in advance of those of last year for the same period of time and that the allocation of \$1,600 would be exceeded by the end of the year. Mrs. W. G. Reid, Montreal, gave a short address on W.M.S. work there and closed the meeting with prayer. Mrs. E. Ridgway delighted the members with a vocal solo.

Officers of Association Are Chosen

The annual meeting of Norfolk House School Old Girls' Association was held at the boarding house on Monday evening.

The retiring president, Miss Margaret Izard, commented on the successful activities of the club during the previous year. The election of officers for the following year resulted as follows:

Honorary president, Miss D. W. Atkins; vice-presidents, Miss Margaret Izard, Miss Valentine Harlock; secretary, Miss A. Adamson; treasurer, Miss P. Collier-Wright.

Many suggestions for the year's activities were discussed, and arrangements were made for a special entertainment to be held at the

end of November, in which it is hoped all the members will join to make it a great success.

After the meeting adjourned the members enjoyed refreshments served by the honorary president, Miss Atkins.

METCHOSIN CLUB

The Metchosin Choral and Dramatic Society held its opening meeting on Tuesday evening, for which Mr. and Mrs. W. Whitney-Griffiths very kindly lent their home. Mrs. W. Whitney-Griffiths presided. Two separate committees were formed as follows: Dramatic, Mrs. Jordan, Mrs. Peacock, Mrs. Elliott, Mrs. Jennings and Mrs. Bolton; music, Miss Chagwin, Miss Wilkin, Mr. Elliott, Mr. Baker, Mr. Clapham and Mr. Jones and secretary-treasurer, Mr. House.

The first practice will be held at Metchosin Hall tomorrow evening at 7:30 o'clock and all junior and senior members are asked to attend.

Entertain Informally

His Honor the Lieutenant-Governor and Mrs. Hamber entertained informally at tea at Government House on Tuesday afternoon in honor of Mr. and Mrs. John Burns and Mr. and Mrs. A. Newton, who are here from Calgary.

Coming-of-Age Party

Mr. and Mrs. A. G. Harrison entertained at a coming-of-age party for their son Harold, in the Sons of England Hall, Tuesday. About 115 guests enjoyed the evening in dancing to a popular five-piece orchestra. Featured on the dance programme were spotlight dances, which were won by Mr. and Mrs. A. G. Hallway, and a mystery dance won by Miss Ethel Fitchett and Mr. G. Watkins. A sit-down supper was served, the table being decorated with autumn flowers in colors of brown, yellow and orange, and a two-tier birthday cake. Violin solos were played by Mr. Robin Thomas and tap dance was given by Mr. Ray Hunt.

Among the invited guests were Rev. Mr. Sloan (San Francisco), Mr. and Mrs. A. G. Harrison, Jr., Mr. and Mrs. T. E. Harrison, Mr. and Mrs. W. Harrison, Mr. Richard Holman, Miss M. Gravel, Mr. and Mrs. A. G. Hallway, Miss L. Hallway, Miss E. Fitchett, Mr. G. Jackson, Mr. and Mrs. Pricker, Miss N. Pricker, Mr. Walter Pricker, Mr. L. Minnis, Arthur Ross Jones, Colin McBride, Bill Parry and Cliff Robins.

Party for Bride-to-Be

Mrs. John J. Blair, 2749 Victor Street, entertained on Monday evening at a miscellaneous shower in honor of Miss Maude Wheeler, whose marriage to Mr. Frederick Magee will take place early in November. The Halloween motif was effectively used in the decorative scheme, orange and black being the colors of the Halloween witch beside which stalked a huge black cat for "good luck." The ruffled skirts of the witch concealing the many lovely gifts. During the evening, Mrs. W. Drinkle delighted the guests with humorous songs in costume. Supper was served in the dining-room from a lace-covered table centred by a basket of gaily-laden and French marigolds in shades of orange, before which stood a miniature bride and groom. Mrs. C. Magee and Mrs. S. Waldron presided at the table, and assisting the hostess in serving were Mrs. Wesley Strickland and Mrs. William Blair. Those invited were: Mrs. J. Lewis, Mrs. C. Magee, Mrs. A. H. Dodd, Mrs. W. Drinkle, Mrs. B. Spouse, Mrs. G. Heal, Mrs. D. Obee, Mrs. S. Waldron, Mrs. T. Rennie, Mrs. W. Strickland, Mrs. W. Blair, Mrs. W. Magee, Jr., Mrs. J. Knowles, Mrs. A. E. Sweeney, Mrs. D. Cuthbert, Miss Pearl Lewis and Miss Jean Dempster.

Halloween Party

Miss Helen Wells was a charming hostess at a Halloween party held by the Victoria Venture Club on Tuesday night. The Soroptimist Clubrooms, Courtney Street, were gay for the occasion with appropriate orange and black stream-

ers, witches, cats, owls and pumpkins. The guests, who included the president and a number of members of the Soroptimist Club, as well as prospective members of the Venture Club, were given Halloween hats to add to the spirit of the occasion. The evening was spent in various games and competitions, during which dogs barked, cats howled, and witches complete with broomsticks appeared to doubling onlookers. Miss Eugenie Cantwell won the first prize and Miss Doris Burton the consolation award. Halloween refreshments, including a specially decorated cake, were served from a seasonably decorated table, centred with a colorful bowl of marigolds. Among those present were Mesdames A. Robinson, Green-slade, and Misses D. Atkins, M. Holmes, D. Holmes, Foxall, Corcoran, Ruth Ritchie, Pearl Lewis, Edna Mackenzie, Hazel Mackenzie, J. Graham, Eugenie Cantwell, Doris Burton and Muriel Butcher. The next meeting of the club will be held on Wednesday, November 3.

Gifts in Pumpkin

Miss Gladys Smith, whose marriage to Mr. William G. Norris, Nanaimo, will take place this month, was the guest of honor at a miscellaneous shower arranged by Miss Betty Johnston and Miss Connie Orrick last evening at the latter's home on Chapman Street. Halloween decorations were used throughout the reception rooms. The many pretty gifts were concealed in a large pumpkin, which the bride-elect found awaiting her. Halloween fortune-telling games were greatly enjoyed. Supper was served from a table attractively arranged in black and orange to carry out the seasonal color scheme. Bronze and yellow chrysanthemums in a pressed glass bowl formed the centerpiece with tall tapers in glass holders. Mrs. W. A. Smith and Mrs. A. Orrick presided and were assisted by Mrs. W. Robertson and Miss Tina Sandler. Those present were Mrs. W. Smith, Mrs. E. Clarke, Mrs. W. Alexander, Mrs. S. Smith, Mrs. L. Poes, Mrs. W. Darling, Mrs. J. Bleackley, Mrs. R. Wallace, Mrs. A. Orrick, Mrs. N. Robertson, Mrs. R. Ritchie, Mrs. S. Noll, Mrs. Sandler, and Misses Kay Clarke, L. Delenheer, P. Sheret, R. King, D. Cliff, R. Sandler and N. Martin.

Hostess at Tea

Mrs. L. deS. Duke was a tea hostess yesterday afternoon at her home, "Knockout," Mountjoy Avenue, when she entertained in honor of her sister, Mrs. A. L. Harvey, who is here from London visiting her parents, Mr. and Mrs. F. B. Pemberton. The tea table, arranged with a beautiful bowl of zinnias and autumn foliage, was presided over by Mrs. R. H. Snape and Mrs. Herbert Gray. The invited guests were Mrs. F. B. Pemberton, Mrs. Valentine Duke, Mrs. H. C. Holmes, Mrs. W. P. D. Pemberton, Mrs. J. R. McIlreath, Mrs. L. Bridges, Mrs. F. J. D. Pemberton, Miss Hester Duke, Miss Pooley, Mrs. E. H. W. Elkington, Mrs. Norman Yarrow, Mrs. G. C. Grant, Mrs. W. H. Bullock-Webster, Miss Marion Bullock-Webster, Mrs. J. S. Woods, Miss Helen Streetfield, Mrs. Errol Gillespie, Mrs. Forrest Leeder, Mrs. R. H. Edgell, Mrs. W. A. R. Hadley, Mrs. Malcolm Bell, Mrs. H. J. Davis, Mrs. A. H. Wylie, Mrs. R. V. D. Guthrie, Mrs. Clark Gamble, the Misses Macdowall, Miss M. Pitta, Mrs. H. C. V. Macdowall, Miss Barton, Mrs. M. A. W. Bridgman, Mrs. Eric Pepler and Mrs. John A. Grant.

Was Hostess

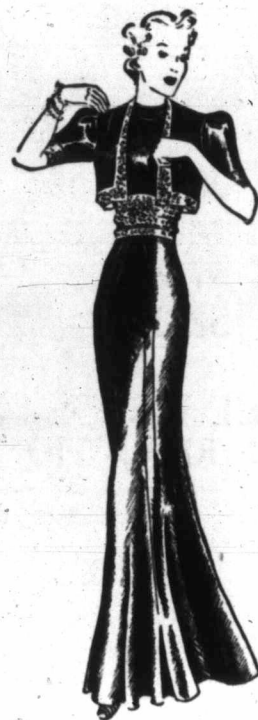

Mrs. C. Smith entertained last evening at her home on Oak Mount Road at a miscellaneous shower in honor of Miss Margaret Scott, an October bride-to-be. A profusion of autumn flowers decorated the drawing-room. A large box contained many and varied gifts for the guest of honor. Games and contests were played during the evening. Later a buffet supper was served. The table, covered with a lace cloth, carried out the autumnal color scheme with its rose bowl of lovely rust-shaded chrysanthemums. The guests were Mrs. H. Scott, Mrs. J. Smith, Mrs. G. McCaig, Mrs. W. Allen, Mrs. McNutt, Mrs. K. Scott, Mrs. H. Smith, Mrs. L. Matthews, Mrs. Marrs, Mrs. William Smith, Mrs. R. Scott, Mrs. Mesher, Mrs. W. Campbell, Jr., and Misses Eileen Edwards, Helen Templeton, Jean Scott and Winnie Abbott.

Birthday Party

A happy time was spent at the home of Mrs. J. P. Murrant, Kerr Avenue, on Monday, when she entertained in honor of the sixth birthday of her son, Glenn, and second birthday of her little daughter, Shirley Jean. The prettily decorated tea table was covered with a Halloween cloth, and centred with a birthday cake. Games were played, and an impromptu concert was held, with all the little guests taking part. Mrs. F. Waters and Mrs. A. C. Stevens assisted the hostess. Those present included Helen Gregory, Evelyn Hemsworth, Patsy Smith, Joan Hemsworth, Mary MacGregor, Catherine Smith, Beulah O'Neill, Ivan Gregory, Douglas Hemsworth, Donald McKinnon, Bobbie O'Neill, Leonard and Wesley Swan.

Parties for Miss Wilson

Mrs. William Munro, Beach Drive, entertained a few girl friends of Miss Kathleen Wilson at a coffee party yesterday morning, and in the afternoon the popular bride-to-be was the raison d'être of a tea party, when the hostess was Mrs. Frederick Manning, Lullie Street. The tea table was centred with a lovely white crystal bowl filled with pink chrysanthemums flanked by tall pink tapers in crystal candelabra. The other guests were Mrs. C. E. Blaney,

"I FIND IT
Easier to Read and
Sew UNDER LACO MAZDA
LAMPS!"

Records show that 75% of all people over 50 years of age suffer from defective vision. Insufficient light is frequently a contributing cause. You can be sure of adequate light if you use Laco Mazda Lamps of 60 watts or more. Smaller wattage lamps should only be used for decorative purposes. Laco Mazda Lamps give the maximum of light for the power they use.

HERE'S THE SECRET OF SERVING GOOD COFFEE

• Carnation in coffee adds flavour and a rich colour. On cereals or fruit, Carnation takes the place of cream deliciously and economically. In all cooking where milk is used, Carnation adds richness, because Carnation itself is twice as rich as ordinary milk; smoothness, because every drop of Carnation has its share of butterfat.

All the food value of the best cows' milk is in Carnation, making it a splendid food for babies. In addition, it is more digestible and has extra "sunshine" vitamin D. Carnation is the evaporated milk the Dionne Quintuplets use.

Write for the gorgeously illustrated Carnation Cook Book. A host of ideas and recipes for 10c, coin or stamps. Address Carnation Company, Ltd., Abbott Street, Vancouver.

STORE HOURS

9 A.M. to 5:30 P.M.
Wednesdays, 9 A.M. to 1 P.M.

What Today Means

"LIBRA"

If October 21 is your birthday, the best hours for you on this date are from 9:45 to 11:45 a.m., from 1:45 to 3:45 p.m., and from 7:45 to 9:45 p.m. The danger periods are from 7:45 to 9:45 a.m., from 5:45 to 7:45 p.m., and from 9:45 to 11:45 p.m.

Any indiscretion this day in the way of gormandizing may result in your paying a heavy penalty. The stomach, due to prevailing influences, must not be subjected to any abuse. Take the advice of friends cautiously, for they may not be thoroughly familiar with the details of your personal affairs. Do not put yourself in the position of discovering it is not ever advisable to tell strangers all that you know. A stent tongue seldom gets its owner

into trouble. You do not have to depend upon any one person this day because you are likely to find that what someone refuses, someone else is liable to do, if you only will

persevere in going after what you want. Married and engaged couples, as well as those who have the matrimonial bee distracting their thoughts, may discover it is much better to say too little than too much this day.

If a woman and October 21 is your birthday, your diction ought to be exceptionally good and your hearing very keen. You are, perhaps, very methodical, and any semblance of disorder probably irri-

lates you to the nth degree. You may make some mistakes, but ought to have the happy faculty of being able to correct them without much trouble. Your sympathetic and generous nature should win you many friends and help you socially. You may be tempted to try to "keep up with the Joneses," but if you are wise you will make it a point to live within your own income. The lecture platform, stage, radio broad-

casting, or work of an educational nature may provide the opportunity you need to make you an outstanding figure in your community. Through marriage, it would seem, your problems will be solved and great happiness found.

The child born on October 21 must have impressed upon it, as soon as it is old enough to grasp the idea, the importance of an education. This child, with the proper encouragement, should be capable of doing some excellent work.

Y.M.C.A. Ladies' Annual Guest Tea Is Great Success

Auxiliary Greatly Encouraged by Donation of \$475.14 Made at Yesterday Afternoon's Attractive and Well-Organized Event—Directors Express Appreciation of Women's Work

ANOTHER banner event in the history of the Women's Auxiliary to the Young Men's Christian Association was their successful annual "guest tea" held yesterday afternoon, when a distinguished gathering, which included His Honor the Lieutenant-Governor and Mrs. E. W. Hamber, gave encouraging support by their presence and material support to the extent of \$475.14.

As usual the big gymnasium, cleared of its everyday furnishings, presented a most attractive and animated scene with the numerous long flower-decked and candle-lit tables, convened by various service club auxiliaries and other groups. Each had its own hostesses, ushers and servers. Speeches and musical items constituted the enjoyable programme. Mayor and Mrs. Andrew McGavin were also specially invited guests, but in the unavoidable absence of the former, Alderman Edward Williams was present to convey the greetings of the City Council and voice appreciation of the work done by the Y.M.C.A.

Mrs. S. J. Willis, president of the Ladies' Auxiliary, presided at the head table, she and Mrs. Duncan MacBride and Mrs. Edwin Tomlin greeting the guests of honor and ushering them to their seats.

WELCOMED GUESTS
In her gracious address of welcome to the many guests, Mrs. Willis thanked the different organizations which had so generously given their continued support to the cause by taking tables, among them being the Women's Canadian Club, the Rotary, Kiwanis and Kinsmen Clubs, the Y.M.C.A. directors, the First United Church, the Metropolitan United Church and the P.E.O. Sisterhood. Other friends who had lent flags, tables, chairs, and other decorations and furnishings for the afternoon were also thanked.

Such kindly co-operation was most encouraging to the auxiliary, whose work was making the Y.M.C.A. "as comfortable and homelike as possible" for the boys and young men who used it. During the past year the auxiliary, she reported, had refurnished some of the bedrooms and supplied other touches about the building, among the purchases being a gas range, some new mats, and a camp radio set which was now being used in the building by the boys' short wave club.

"GREAT BULWARK"
Alderman W. T. Straith, vice-president of the Y.M.C.A., in an eloquent following speech, expressed on behalf of the Y.M.C.A. directors the warmest appreciation of the work done by the Ladies' Auxiliary. They were, he said, "the great bulwark" of the institution. Without them the building would be a very

different place, for they brought to the furnishing of the place the feminine touch which gave it the atmosphere of home.

In reviewing the work of the Y.M.C.A., Alderman Straith spoke of the camp held during the past summer in the Sooke Hills, eighteen miles from the city. Here more than 100 boys and girls had enjoyed health-giving holidays in the three consecutive groups. An important part of the camp life was the instructional training under competent men.

The Y.M.C.A. was allowed exemption from city taxes, and in return the city had the privilege of sending unemployed young men there if they were in need of bed or meals. Many such cases were referred to the secretary, who, of course, made careful scrutiny of the applicants' records in order to check the merits of the case. A letter of thanks from two such applicants, who arrived "broke and hungry" and were not only given shelter but assisted to find work, was read. The Y.M.C.A. had an average of three such cases each day of the year, Alderman Straith reported.

CITY'S THANKS
The mere fact that the Y.M.C.A. was exempted from taxes was evidence of the city's appreciation of the part the institution played in helping and encouraging young men to live clean upright lives, said Alderman Williams, in his brief address. Everyone should be proud to support such an institution.

Frank Paulding, general secretary of the association, on behalf of the directors and the nearly one thousand men and boys who passed through the Y.M.C.A. in the course of the year, thanked the Ladies' Auxiliary and all other friends who were supporting the work. This annual tea was a unique event and the organizers merited every possible praise.

The delightful short musical programme was given by Mrs. Duncan MacBride and included two numbers by the Georgian Trio, "I Dream of Jeanie" and "O Swallow, Swallow." Mrs. G. Anstey playing the accompaniment, and two vocal solos by Fraser Lister, "Harlequin" (Sanderson) and "Coquetry" (Gustav Klem), with Mrs. C. C. Worn as accompanist.

At the Theatres

MARY BRIAN HAS STARRING ROLE

Hollywood Favorite in Important Part of "Navy Blues" at the Plaza

"Navy Blues," Republic's comedy, which opens today at the Plaza Theatre, has all the fun and foolishness, all the thrills and recklessness of navy life. It is enthusiastically recommended to everyone who enjoys wholesome, pleasant entertainment, with a fresh plot, and a running fire of amusing dialogue.

Dick Purcell is excellent in the role of Rusty. Mary Brian, as the "ugly duckling" who becomes a swan, plays her part with charm and distinction. To see her in this picture is to understand how she goes on year after year in Hollywood, with top roles, while less talented beauties fall by the wayside.

"WINDJAMMER" AT OAK BAY TODAY

Picture Concerns Trans-Pacific Yacht Race—George O'Brien Heads Cast

A sporting event that receives world-wide attention plays an important part in George O'Brien's latest starring picture, "Windjammer," which opens today at the Oak Bay Theatre.

The event is the San Pedro to Honolulu trans-Pacific yacht race. With motors sealed, the yacht jockey for position, sail out of San Pedro Harbor and start the long jaunt to the Hawaiian Islands.

It is on such a yacht that much of the action of "Windjammer" takes place, with O'Brien, a passenger, unwilling to the millionaire owner of the boat, the sportsman's daughter and her money-hunting fiancé.

"SHANGHAI" IS ON COLUMBIA SCREEN

Loretta Young and Charles Boyer Head Impassioned Supporting Cast in Film

As technical adviser on "Shanghai," which opens today at the Columbia Theatre, Walter Wanger, the producer, has retained a man who has seen the great capital of the Orient rise from an obscure position to its place as one of the metropolises of the world.

He is Captain Joseph Moody, formerly attached to the United States Marine Corps and stationed for years at Shanghai.

It was from his intimate knowledge of the city and its inhabitants that Wanger derived much of the material for the picture which stars Loretta Young and Charles Boyer, with Warner Oland, Alison Skipworth and Fred Keating in the supporting cast.

DEANNA DURBIN IN NEW FEATURE

"100 Men and a Girl" Stars Brilliant Young Singer Now at Capitol Theatre

Here's the picture for which the world has been waiting, the sky-rocket sensation of "Three Smart Girls," who soars to new triumphs with three smart boys in the all-star, all-melody, all-lovable, all-round hit which just broke an eight-year record at the Roxy Theatre in New York City—Deanna Durbin in "100 Men and a Girl," which starts today at the Capitol Theatre.

In "100 Men and a Girl" this lovely personality with her beautifully-trained voice, gives her songs fresh beauty. You'll be delighted to hear her rendering of Mozart's "Alleluia," and then the aria, "Li-biamo" from Verdi's "La Traviata," after she does the popular offerings and the new popular song, "It's Raining Sunbeams."

DOMINION "Danger—Love at Theatre" Work, showing for the last times today at the Dominion Theatre, is a fast-action farce from the typewriters of James Edward Grant and Ben Markson, and co-stars Miss Soth-

ern, Jack Haley, Mary Boland and Edward Everett Horton.

ATLAS Patsy Kelly's first role in a feature-length film is in a feature-length film starring Marion Davies, star of "Ever Since Eve," which shows for the last times today at the Atlas Theatre. A natural-born laugh-getter, she modestly attributes all her movie success to Irish luck.

Island Arts and Crafts Annual Exhibition Opens

Hon. John Hart, Acting Premier, Officiating at Formal Opening, at Belmont House, of Twenty-Eighth Display, Pays Tribute to Loyal Group

The place of art is an international language used to interpret the thought of one people or one section of humanity to the other, was emphasized by Hon. John Hart, Acting Premier, in the happy speech he made yesterday afternoon when he officiated at the formal opening of the twenty-eighth annual exhibition of the Island Arts and Crafts Society.

The exhibition will be held in Belmont House until October 27. The formal opening yesterday took place at 3 o'clock, when about 125 visitors were present. The president, Rev. Robert Connell, introduced Mr. Hart, who began his talk by paying a tribute to Mr. Connell who, in his former capacity of a C.O.P. representative in the Provincial Legislature, had always enjoyed an attentive hearing from the House because of the sincerity of anything he had to say. His contributions to the debates would be greatly missed.

ART AND KNOWLEDGE
Art, said Mr. Hart, was a thing of charm and beauty, but artists, like men in public office, should have knowledge of a special nature. Private business and public affairs often created opposing factions and the variousness of views. But art transcended the strife of public life, and tended to unite mankind in a common love of the beautiful.

Victorians could not but be grateful to their own artists and artists from elsewhere who had done so much to extol the beauty of Victoria. High praise was given the craft workers, also. He thanked the society for what it had done for many years in encouraging and stimulating local artists and a love of art in the public.

OF HIGH STANDARD
The exhibition is to be open from 2 to 9 p.m. daily, with the exception of Sunday, until next Wednesday night. The exhibits are attractively arranged in the several well-lighted rooms set aside for the display on the second floor of Belmont House. On the whole, the entries are of rather higher merit than usual, and it has gratified the committee greatly to see the return of many artists and craft workers who have not shown for several seasons.

Miss Lettice and Arthur Checkley are in charge of the section devoted to water colors, which number ninety-nine; Mrs. W. F. Loveland is in charge of the oils, numbering twenty-three; Mrs. Patience Birley is convener of the black and white and pastel group, nineteen in number. Miss Amy Adamson is convener of the craft section, which embraces one of the best collections of pottery ever shown under the society's auspices.

Afternoon tea is being served daily, Mrs. Newton and Miss Betty Newton having charge of this detail. Mrs. W. Press and Mrs. Rose Willis had the receipt of custom yesterday.

Sir Hubert Wilkins Starting on Second Attempt to Locate Flyers

NEW YORK, Oct. 20 (U.P.).—Sir Hubert Wilkins announced today he would take off from Floyd Bennett Airport tomorrow noon for Alaska in a second attempt to find the Russian flyer, Sigismund Lefanoffsky, and his five companions missing in the Arctic wastes.

His airplane, piloted by Herbert Hollick-Kenyon, Winnipeg, will replace a flying boat with which he pursued the hunt for several weeks before the ice closed in, the Australian explorer said. The plane will be flown briefly before the trip north is started.

"Weather conditions will be the deciding factor as to the moment of departure," Sir Hubert said, "but all indications are that we will get away tomorrow noon."

LARGE RANGE
Skills will be picked up at Winnipeg, where the expedition will remain probably a week. The plane is the same one flown by Dick Merrill to London and back during the Coronation last May. A Lockheed Electra equipped with two 550-horsepower Wasp motors, the machine has a fuel capacity of 1,300 gallons and a cruising range of 2,500 miles.

The expedition will fly from New York to Chicago, then to Minneapolis.

Kidneys Must Clean Out Acids

Your body cleans out acids and poisons wastes in your blood thru 9 million tiny delicate kidney tubes or filters. If any of these filters become clogged, the acids and poisons build up in your blood, causing kidney trouble, backache, rheumatism, acidosis, or burning urination. Don't rely on ordinary medicine. Fight such germs and troubles with the doctor's prescription, Cystex. Cystex starts working in 3 hours and must be taken for 10 days to get rid of the acids and poisons. Good Argument for Fishermen's Wharf

Recently, space at Enterprise Wharf was at a premium. The picture shows the south side of the dock crowded with small craft, mostly fishing boats. The slip on the north side of the pier was also occupied, attesting to the demand for the limited mooring facilities controlled by George Willis & Son, managers of the wharf.

MASTER MARINER BURIED IN EAST

OTTAWA, Oct. 20 (U.P.).—Funeral services were held here Sunday for Captain Lancelot G. Dixon, supervisor of nautical services for the Federal Transport Department, who died Friday after a brief illness.

Mr. Dixon, who was well known in marine circles throughout Canada, was taken fatally ill a few days before the date of his planned departure for Vancouver and Victoria. He was sixty-four years old.

A native of England, he entered the marine service in 1889. For some time previous to coming to Canada in 1912, he served as master of a number of ships in the Far East and Australian trade.

Fishermen's Dock Would Bring Many Trollers to Town

Victoria Harbor Ideal Place for Wintering After Strenuous Summer Spent on Fishing Grounds Off British Columbia Coast

Skipper Frank Lind, who has a master's coasting certificate, but found long ago that continuous employment for all the sailormen on the Coast who could qualify for ship positions was not to be had, took to fishing several years ago and has been at it ever since. He favors the grounds off Cape Scott and makes his headquarters during the season at Bull Harbor, Hope Island.

This is the second Winter Skipper Lind has put in here, and he stated yesterday he would probably continue to come here as long as he can find a place to moor his craft conveniently. He likes Victoria, its climate and the fact that he can purchase supplies just as cheaply in this port as he can anywhere else.

What he cannot understand, he intimates, is why Victoria, with everything that appeals to the men who spend long months on the fishing grounds, is not able to provide facilities for the accommodation of fishing vessels during the off seasons. He stated many of the men who fish out of Bull Harbor frequently express the hope that there will be something done about it before long. Several of his friends expect to reach Victoria with their boats before the Christmas holidays and will no doubt spend some time here.

200 BOATS

Asked how many boats headquartered at Bull Harbor during the Summer season, Skipper Lind said around 200. All the boats would not be likely to come from there and pass up other ports, but a number would; while a fisherman's dock in Victoria would attract a big percentage of men who fish along the West Coast of Vancouver Island between Kyquon and Barkley Sound. He figures that every fishing boat wintering in Victoria, Vancouver or elsewhere in the neighborhood is worth at least \$500 to merchants for supplies and needed articles. If the accommodation were available, he feels sure quite a fleet of boats would be attracted here and hopes the efforts to establish a fishermen's wharf will succeed.

Discussing fishing problems generally, after expressing himself on the wharf proposition, Skipper Lind stated that United States fishermen were well organized and had a great advantage over Canadian fishermen, as they had larger trolling craft, manned by three and four hands, as a result of liberal financing facilities. The boats are heavy and seaworthy, and able to stay outside on the grounds for from ten to twelve days, or as long as their ice lasts. The United States craft keep well outside the limit and co-operate with one another, all being equipped with radio sets able to cover from fifty to seventy-five miles. The boats spread out as they search for fish and if one strikes the "schools," all the others are immediately notified.

On the other hand, the majority of Canadian fishing craft are small, and must harbor every night, which requires a lot of time moving back and forth. The fisherman skipper believes some means of financing fishermen should be possible in British Columbia, similar to the methods which enable United States fishermen to have things pretty much their own way in handling

large catches of fish. He stated that these fishing boats from Seattle, operating well offshore out of Canadian territorial waters, give a big return to all parties interested. While there are only a few of those boats on the Cape Scott grounds at the present time, he said there are in the neighborhood of forty off the mouth of the Strait of Juan de Fuca trolling under conditions which only a very limited number of the larger Canadian boats can operate.

Skipper Lind and most of the fishermen engaged in the industry appreciate the work of the Canadian Biological Board in supplying them with information about water temperatures and where the fish are likely to be found in the largest numbers at certain times. Some of the older men laugh at the research work of the biologists and don't go much on the matter contained in the bulletins issued regularly from Prince Rupert and Nanaimo; but the majority read the bulletins carefully and have had occasion to prove the value of the facts contained in them from time to time about salmon and other food fish.

B.C. Department of Municipal Affairs Produces Report for Year 1936

How British Columbia municipalities balanced their books a year ago was made known this week when the annual report of the B.C. Department of Municipal Affairs. All figures were on an entirely changed basis, with receipts and expenditures for Vancouver marked as unavailable.

With the exception of Vancouver, seventy-seven municipalities of the province reported total receipts of \$22,225,49, against total disbursements of \$22,214,939. Sinking funds held by the same centres totalled \$32,864,156, short by \$11,000,000 of requirements.

Tax arrears lessened slightly in 1936, standing at \$9,523,551, against \$12,060,610 in 1935, these being sums municipalities had levied but not collected. Tax collections, however, were better by \$304,328 than in the year previous.

ON NEW BASIS

As the basis of the report is changed, no effective comparison may be made with previous years. It is explained that the omission of Vancouver from the general table of receipts and expenditures came from the fact that Vancouver operates on an "accrual basis," while other centres reported their actual income and actual outgo in cash.

The report was prepared by R. S. Gilchrist, supervisor of municipalities for the province, and includes a wealth of general detail. It was issued yesterday by E. H. Bridgman, deputy minister of Municipal Affairs, on the authority of Hon. A. W. Gray. Municipal officials were thanked for their co-operation in

compilation of the report from forms sent out by the province.

Taxable values, including Vancouver, were reported at \$452,684,537. Total debenture and sundry debts in Vancouver were \$79,727,977; in all other cities, \$40,562,703; and in districts, \$15,334,152; a total of \$135,624,832, of which \$125,538,618 was recorded as debenture \$955. Net sinking funds of \$32,864,156 are deductible from the debt. Of tax arrears at \$9,523,551, the sum of \$6,273,940 was reported in Vancouver at the end of 1936.

BUSY REMOVING LIGHT TOWERS

Trans-Canada Flying Tests Will Be Made With Radio Equipment

REGINA, Oct. 20 (U.P.).—No lighting facilities for the prairie branch of the Canadian air mail service will be installed this winter except at intermediate airports and main landing fields, Inspector J. W. Robertson, of the railways branch, Department of Transport, said today.

At present engineers are busy removing the present lighting towers and what equipment had been left at the old emergency landing fields and shipping them to the new locations necessitated by the straightening out of the air lanes through use of high-speed aircraft.

Radio range station and field-to-plane radio equipment will replace lights on tests of the route this winter.

Hudson's Bay and Navy Score Wins In Soccer League

Bays Trim Spencers to Gain Second Place in Wednesday Football, 4-1—Speller Performs "Hat Trick"—Sailors Given Hard Match by Gorge Hotel Eleven Before Winning Match, 2-1

HOW THEY STAND

	W	L	D	F	A	P.
Navy	3	0	0	7	1	6
Hudson's Bay	2	1	0	6	4	4
Spencers	1	2	0	4	8	2
Gorge Hotel	0	3	0	3	7	0

Yesterday's results:
Navy 2, Gorge Hotel 1.
Hudson's Bay 4, Spencers 1.

Navy footballers hung on to their unbeaten record yesterday by the skin of their teeth when they managed to eke out a 2-1 victory over a ten-man Gorge Hotel team at Admirals Road. Held scoreless until late in the final session the sailors forged in front when Bruce Robinson, centre half, sagged the hem from the penalty spot. Wilf DeCosta made it 2-0 minutes after and then "Barnes" Barnswell garnered the hotelmen's lone tally just before the final whistle.

Firing home their four markers in the initial stanza, Hudson's Bay footballers moved into undisputed occupation of the second berth in the Hayward Cup race, two points behind the Navy, when they defeated Spencers, 4-1, at the Royal Athletic Park.

Both matches were played on rain-soaked fields which made good control of the ball and brilliant football practically impossible.

NAVY HARD PRESSED

Forced to play the entire game with ten men, Manager Eddie Rutledge's Gorge Hotel boys gave the Navy plenty of trouble at Admirals Road, in a match that was featured by the smart goal tending of Louis DeCosta and Charlie Sadler, opposing net custodians.

All of the scoring came late in the final half with the sailors taking the lead and establishing a 2-0 advantage before the hotelmen registered their only goal.

Bruce Robinson, clever centre half, gave the eventual winners their first tally when he scored from a penalty kick given against Coates for hands. A few minutes later Wilf DeCosta sagged the hem when he picked off the rebound from brother Eddie's shot and fired for the corner.

Gorge Hotel, never disheartened, came back a few minutes later and scored their lone tally and, incidentally, the first goal chalked up against Louis DeCosta in three matches. Alf Geoghegan, fullback, carried the ball up the field and passed to Barnswell, whose first-time found the far corner of the net.

Hotelmen turned in a great fight against the leaders and gave them many anxious moments. Coates at fullback, despite the fact that he gave away two penalties, the first of which was missed by Eddie DeCosta, was a tower of strength on the defence.

Navy, with their regular line-up, proved to be anything but "muders" and missed many fine scoring opportunities.

Walker and Hibbert replaced Gagnon and Marr on the sailor eleven late in the last half.

Percy Shrimpton refereed, and the teams were:

Navy—L. DeCosta, Kennedy, Cockrill, Marr, Robinson, Gagnon, Geddes, Ross, E. DeCosta, W. DeCosta, Murray, Walker and Hibbert.

Gorge Hotel—C. Sadler, Coates, Geoghegan, D. Gent, Barnswell, W. Sadler, Roakamp, Carr, Belford and K. Gent.

BAYS IN TRIUMPH
Racing through for all their goals in the first half, Hudson's Bay registered a 4-1 decision over their friendly store rivals, Spencers, at the Athletic Park before only a handful of the faithful. The Bays led at the interval, 4-0, and then staved off a strong final period rally to win by three clear goals.

Playing on an extremely slippery field and during steady rainfall in the early stages, Hudson's Bay had everything their own way in the opening forty-five minutes. Renfrew, in the Bay net, never had an ounce of work to do all through the initial period. After Don Fish had hit the far post from the right wing with a hard-driven shot, Maurice Speller started the Bays to victory by pushing the ball across the line. Referee McMillan gave a goal after examining the line, where the ball got away from Goale Stewardson. Ten minutes later, Speller netted again and then he completed the "hat trick" when he smashed home Fish's cross from the wing.

Spencers made a change in their line-up after the last goal and Byatt went in place of McMillan. The Bays continued the offensive and just before the change over, Malcolm McBride found the net from Speller's opening.

In the second half it was a different story, with the Bays protecting the much slipper part of the field and Spencers had a distinct edge to the final whistle. They had many chances, but most of their shots went wide and the others were taken care of by Renfrew, Bobby Brown saved Spencers from a whitewashing by scoring the lone

goal during one of their many attacks. McMillan refereed and teams followed:
Spencers—Stewardson, Raeside, Cann, L. Bradley, Chapman, Bradley, Brown, McMillan, Politano, Collins, Ball and Byatt.

Hudson's Bay—Renfrew, Wyatt, McConnell, Williamson, Kennedy, Oakman, Fish, McBride, Fogden, Preston and Speller.

PEDENS SLIP IN BIKE RACE

Victoria Boys Drop to Third Position—Gadou and Walthour Lead

TORONTO, Oct. 21.—Jimmy Walthour and Laurant Gadou moved into undisputed possession of first place in Toronto's six-day bicycle race as the field passed the seventy-second hour at midnight.

In the heaviest night of jamming since the grind began Monday, the French-American entry took a lead of one lap with three teams bunched in second position. The cycling Pedens from Victoria, Torchy and Doug, tied with Gadou and Walthour throughout the race, dropped back to third position behind the Canadian-Swiss entry of Albert Heaton and Freddie Zach.

Tom Saetta, veteran of the six-day tracks, dropped out of the race when he became exhausted during the night. Cocky O'Brien, without a partner since Jackie Sheehan was forced to withdraw because of illness yesterday, teamed up with Ramigio Saavedra, Saetta's former partner.

Midnight standings:
Miles Laps Pts.
Gadou-Walthour 1,232 6 193
Heaton-Zach 1,232 5 204
Peden-Peden 1,232 5 187

The party will sail on Wednesday, December 22, and on the return trip will arrive back in Victoria about March 12. Ken Jaggard, brother of "Babs" Jaggard, well-known Van-

SHELL BEING CONSTRUCTED FOR OARSMEN

Work Started on Boat Which Local Crew Will Use at Empire Games

When the Victoria J.B.A.A. oarsmen compete in the British Empire Games at Australia in December this year they will be rowing in a shell built here in the British Columbia capital. Construction of the frail craft is now being carried out at the Green Lumber Company, Douglas Street, with George Walters, veteran boatbuilder, in complete charge.

The boat will be built entirely of British Columbia timber, and is the first of its kind ever constructed in this city. Cedar, spruce and pine are used and these have to be specially treated for such an important job. People interested in the construction of the shell are permitted to visit the Green Lumber Company and see the progress being made.

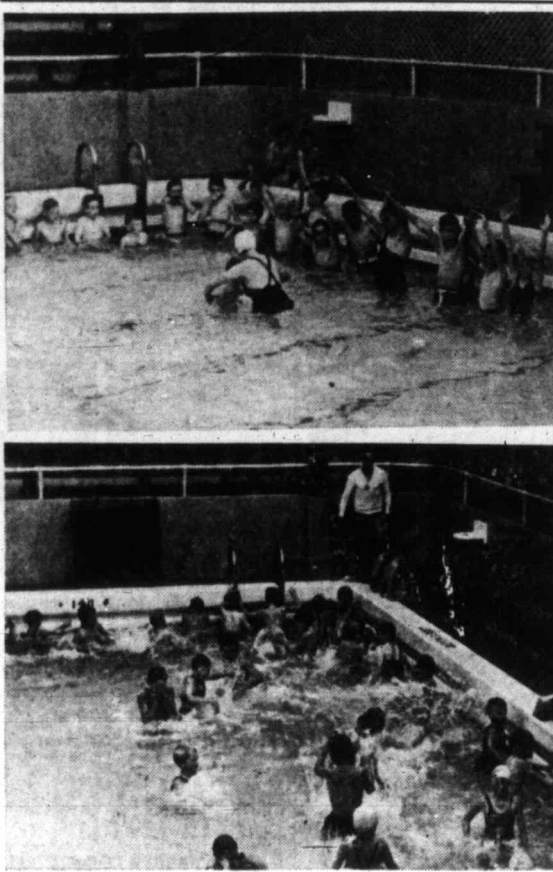

Hugh Francis, J.B.A.A. club captain, stated yesterday that it will be the first time in the history of the veteran local rowing organization that its oarsmen have competed in a coxswain four and for that reason a special boat had to be built for the British Empire Games.

HOLDS RECORD
J.B.A.A. rowers, who have established themselves as N.P.A.A.O. and Pacific Coast champions, have been selected to make the trip "down under" and will be expected to make a good showing for Canada. The crew, Jack MacDonald, stroke; Don Davis, three; Max Winkler, two; and Jim Temple, bow, has held the N.P.A.A.O. senior fours championship for the past three years, are present Pacific Coast champions and hold the record of 7.11 for the Henley course of one mile and 550 yards.

The boys are training twice weekly under the careful and shrewd guidance of Dan Moses, popular coach, who, it is expected, will make the trip with the crew. In good shape after a busy and successful season with the blades, the J.B.A.A. sweepers will be "tops" for the important assignment given them, that of representing Canada in the British Empire Games.

The party will sail on Wednesday, December 22, and on the return trip will arrive back in Victoria about March 12. Ken Jaggard, brother of "Babs" Jaggard, well-known Van-

Enjoy Swimming Lessons

Above are two scenes snapped at the Crystal Garden, where each day two classes of children, sixty to a class, learn the initial steps in swimming. This is part of a campaign offered the children absolutely free, sponsored by The Daily Colonist. The way the children take to the classes is obvious from the way they splash and kick—treating the whole as an enjoyable treat while obeying the instructors, Fred and Mary Ellison.

Young Squad Will Face Dominoes in Saturday's Match

VICTORIA Dominoes basketball squad will face one of the youngest cage teams in Seattle at the High School gymnasium Saturday night, according to the information sent here yesterday by officials of the Antlers Club. All the boys are under twenty-one and are former high school stars. Bill Milligan is managing the Sound City team and he expects to give the Dominoes a good hard battle. Nine players make up the visitors' line-up, and all are expected to make the trip. Their team follows: Lou Macready, forward; Ralph Heilmas, forward; Bob Graf, centre; Gene Coulson, guard; Don Smith, guard; Connie Henderson, forward; Neal Mulford, forward; "Bud" Gregory, guard; Bob Fraser, guard.

THIRTY-SEVEN COMPETING IN STAKES EVENT

Final Acceptors Announced for Cesarewitch Race Next Wednesday

NEWMARKET, Suffolk, Oct. 20.—A field of thirty-seven of the country's best handicap horses, including two former winners, was announced today as final acceptors for the Cesarewitch Stakes, to be run next Wednesday over two and one-quarter miles.

The list included Sir Alfred Butt's Near Relation, the favorite, who won as a three-year-old in 1935, and last year's winner, Mrs. Sidney Freeman's Pet. But since the race was first run in 1839, no horse has won twice.

The final acceptors included His Majesty's five-year-old Fairlead, and three horses from France, James Hennessy's Orangeau, Henri Count's Harewood and H. S. Gray's Castanella.

The final acceptors, with horses, jockeys, owners and odds follow: Buckleigh, Carlisle, Lord Glanely, 18-1; Dytchley, Beasley, R. Tree, 40-1; Near Relation, Perryman, Sir A. ALBERTA FIGHTER IN ONE-SIDED VICTORY OVER VICTORIA BOY

Prairie Boxer Lays Claim to Canadian Lightweight Crown by Decisive Win—Buxton Goes Down Ten Times in Twelve Rounds—Takes Nine Counts in Three Sessions

VANCOUVER, Oct. 20.—Eddie Wenstob, of Viking, Alta., punched out a unanimous twelve-round decision over Sonny Buxton, of Victoria, here tonight to lay claim to the Canadian light-heavyweight professional boxing title.

A slugfest from practically the opening round, the hard-swinging Albertan floored Buxton more than ten times during the twelve rounds, but failed to produce a knockout punch.

Buxton started well and brought blood from Wenstob's face in the early rounds, but the Albertan uncovered a barrage of rights and lefts to the mid-section that dropped the Vancouver Island fighter to his knees for counts of nine in the sixth, ninth and twelve rounds.

In the sixth Sonny went to his knees six times, three times in the ninth and twice in the final round.

Wenstob kept a long looping right falling into Buxton's ribs, especially in the infighting, and this, coupled with fast straight rights and lefts to the stomach, caused Sonny's downfall.

Despite the drubbing fists of the Albertan, Buxton courageously waded into Wenstob whenever he saw an opening.

WINS SEVEN ROUNDS

Referee Gil Martin credited Wenstob with seven rounds, Buxton with five. Judge Tom Moore gave the Viking assassin six, Buxton five and called one even, while Tom Burke marked seven for Wenstob, three for Buxton and two even.

Wenstob weighed 173 and Buxton 163.

Hon. J. Hart Is Awarded Button

Hon. John Hart, Minister of Finance, whose ability as a golfer has been shown on many occasions, proved that he is also a capable fisherman when he hooked and landed a fifteen pound eleven ounce coho in Cowichan Bay on Sunday afternoon.

Mr. Hart by hooking the big one yesterday became the proud possessor of a silver button from the Cowichan Bay Coho Club.

At the time of his catch Mr. Hart was using a light trout rod and battled the fighting salmon for forty minutes before he was able to gaff it.

Mrs. Hart, who accompanied her husband, also landed several small cohoes during the day.

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON

The Animated Bank Ledger—Barthold Niebuhr (1776-1821) was a Dane, who became famous as a historian and statesman in the services of Germany. In his youth he was an accountant in the East Indian Bank in Copenhagen. The bank ledger, containing 1,800 accounts, was destroyed in a fire and the bank was threatened with disaster because the ledger was irreplaceable. To everybody's amazement, Niebuhr came forward, offering to rewrite the 1,800 accounts from memory. He accomplished this incredible mental feat in 1804, and the affairs of the Bank were balanced without a fault. Niebuhr proved himself a memory marvel of great power throughout his life.

The German Emperor Who Never Saw Germany—Don Alonso el Sabio (1226-1284) was King of Asturias, Leon and Castile, when he was elected German Emperor in 1257. Although he exercised the nominal duties of a German Emperor until his deposition in 1282, it is a fact that he never set foot on German soil.

Colonist Aquatic Campaign Attracts City's Youngsters

Two More Classes Go Through Morning Newspaper's "Learn to Swim" Event at the Crystal Garden—Children Enjoy Lessons Through Capable Instructors—List of Names Given

Every afternoon, from 4 to 5 o'clock, the Crystal Garden pool is the scene of great activity. It is the time when two successive classes of sixty children each, disport themselves in the water under the direction of Fred and Mary Edson as they learn to swim under the Daily colonist "Learn to swim" campaign. Starting last Monday, this drive for water safety among Victoria children will continue for the next six weeks, at the end of which time it is confidently expected that practically every child entered will qualify for the diplomas offered at the end of the course.

A total of 600 children are entered in the free classes, sixty in each class, the maximum number which may be handled and at the same time the proper amount of individual instruction given each child. It is noticeable to the onlooker that the backward, timid child has the same opportunity to learn to swim as his bolder companion. Mrs. Edson is at the time, ready to explain and demonstrate the needed movements and to dispel any trace of nervousness that may be shown. Confidence in the water is the main objective, and the children are coaxed rather than told to perform the elementary steps needed to keep them afloat.

LIST OF CHILDREN

Children attending yesterday's classes were as follows:
Robert Alexander, Vera Adair, Betty Aitken, Kenneth Bishop, Dorothy Davidson, Vivien Bales, Naida Blackmore, Vera Blackmore, Vivien Challen, Nona Challen, Allan Clark, Eileen Creed, Joyce Collard, Bobby Caley, Barbara Curtis.

DONALD MCINTYRE

Poker-faced Scot, who returns to the Tillicum Gymnasium, Saturday evening, to appear in the semi-wind-up spot on Promoter Fred Richardson's all-star heavyweight mat show. McIntyre will match holds with Bob Jensen, Chicago grappler, making his first Victoria appearance. They will wrestle for five ten-minute rounds. Irish Patrick O'Shocker and Abe Youist, New Yorker, are booked for the top bout, while two other new matmen are listed for the special event. The usual local preliminary will open the show at 8:45 o'clock.

Federation Will Not Recognize Eddie Wenstob

MONTREAL, Oct. 20 (P).—Frank Hogan, president of the Canadian Boxing and Wrestling Federation, said tonight the federation would not recognize any Canadian title claim arising out of tonight's Vancouver fight between Eddie Wenstob and "Sonny" Buxton, light-heavyweights. Speaking also as president of the National Boxing Association, Hogan said that body would not recognize the winner as titlist.

Hogan said Wenstob had been suspended by the British Board of Boxing Control, and the federation had not been notified of any lifting of this suspension. Further, the Western Canada Boxing Federation had not notified the Canadian body of the fight.

Wenstob, a Canadian, is scheduled to fight Buxton, an American, in a light-heavyweight bout at the Vancouver arena.

The fight is scheduled for Saturday night at the Vancouver arena.

VITT CHOSEN MANAGER OF THE INDIANS

Boss of Newark Bears Replaces Steve O'Neill as Cleveland Pilot

CLEVELAND, Oct. 20 (P).—Cleveland Indians today named Oscar Vitt to replace Steve O'Neill as manager and gave the Newark International League club pilot his first managerial opportunity in major league baseball.

Club President Alva Bradley announced Vitt's appointment under a two-year contract, terms of which were undisclosed. Bradley said O'Neill had been offered a post as a Cleveland scout.

The forty-seven-year-old Californian said at his home in Oakland the appointment climaxed an ambition he cherished ever since his major league playing career ended in 1921. Vitt broke in with Detroit in 1912 and wound up his big-time third base chores with Boston Red Sox in 1921.

O'Neill, on the receiving end of some of baseball's most noted batteries, piloted the Indians since August, 1935, when he succeeded Walter Johnson. His replacement was frequently rumored since last Summer. Cleveland finished fourth in the last American League campaign.

Vitt's selection came as a surprise not only to baseball observers generally, but to officials of the Newark club, a New York Yankee farm.

Before Vitt went to Newark, he managed Salt Lake City, Hollywood and Oakland of the Pacific Coast League, the latter club in 1935. He won pennants in 1929 and 1930 with Hollywood.

Trio of Matches In Soccer League

A full slate of matches is listed for teams in the Intermediate Football League on Saturday afternoon. Secretary Fred Oliver announced yesterday. Young Liberals will meet James Island at Heywood Avenue in the feature game, with Dave McMillan as referee, while Cameronians will take on the Navy at Victoria West. Edgar Borde will handle the whistle. At Hampton Road, Cooperage will tackle Bacpos, with Hibbert in charge. All games will start at 2:30 o'clock.

GAINERS WIN

Outscoring the Cardinals, 19-10, in the final canto, Gainers' Superiors took the opening clash, a women's encounter, 30-23. Mary Peden, with eleven points, was high scorer for the winners, while Virginia Hall and Jane Trotter topped the losers' scoring brigade.

Wally Stipe refereed. The teams and individual scores follow:

WAR ADMIRAL OUT

LAUREL, Md., Oct. 20 (P).—George Coqway, trainer of War Admiral, king of the three-year-olds, said today the colt would not run in the \$7,500 added Maryland Handicap on Saturday.

War Admiral has been out of racing since he split a hoof in winning the Belmont Stakes about four months ago. He previously had won the Derby and Preakness. The decision against racing Admiral moved Heftly, T. P. Morgan's speedster, up to favorite position.

Soccer Activities

A special workout of the Esquimalt first division football team will be held this evening at Bullen Park at 7:30. All players are asked to attend.

Conservatives of Esquimalt Name Four Delegates

Mrs. C. H. Smith, Mrs. K. C. Brown, Captain S. R. Bowden and William Norton were re-elected by the Esquimalt Conservative Association at its annual meeting in St. Paul's Garrison Church Parish Hall last night as delegates to the central executive in Victoria.

To enable Major George Sisman, president; R. H. Pooley, K.C., and Captain Bowden, who had other engagements last night, to be present for the remainder of the business of the annual meeting, the meeting was then adjourned to a date to be announced later.

E. V. Finland, M.P.F.-elect for Esquimalt, presided.

HEINZ STRAINED FOODS

11 KINDS

EVERYONE AGREES THERE'S A WORLD OF DIFFERENCE

● **Natural** in colour, taste and texture—that's one reason Heinz Soups are different. They're made in small batches from the market's finest ingredients, including real cream in the cream soups—thicker than whipping cream. Heinz Soups are sealed hot and fresh from the kettle, *really* ready to eat. Just heat and serve—no additions, no work. Try these delicious Heinz home-recipe soups this week-end.

HEINZ — Every Preferred Kind
Cream of Tomato, Cream of Asparagus, Cream of Celery, Cream of Mushroom, Cream of Spinach, Cream of Green Pea, Cream of Onion, Scotch Broth, Turtle, Consomme, Bean, Vegetable, Corn Chowder, Vegetable Beef Soup, Chicken with Rice, Chicken with Noodles, Ox Tail.

MAN CANNOT EQUAL NATURE'S colour AND taste

● No man-made colour and savour can equal Nature's own handiwork. Heinz Tomato Juice is the liquid essence of fine luscious, pedigreed tomatoes. It is the pure juice—only a pinch of salt added. Enjoy this delicious food-beverage—this "right-off-the-vine" flavour—whenever you are thirsty, hungry or tired. New season's pressing—fresh, zestful—at your dealer's now.

HEINZ TOMATO JUICE

GLORY-TO-COOKING—There's glory in it for you once you learn cooking technique with a bottle of Heinz Tomato Ketchup. With that flash of rich tomato red, that dash of potent savour—an ordinary dish is straightaway transformed into a culinary specialty, scrambled eggs—take on bright interest—Devilled were something new when the yolks are mashed and moistened with this brilliant sauce. Order twins—a bottle of Heinz Tomato Ketchup for the kitchen—and one for the table. Both for the greater glory of cooking—into a culinary specialty, scrambled eggs—and eating.

NEW MILL WILL OPERATE SOON

Nootka Sound Plant Has Novel Economical Way of Producing Power

The Nootka Wood Products, Ltd., McBride Bay, Nootka Sound, the first plant of its kind to operate on the West Coast of Vancouver Island, north of the Alberni Canal, will go into production some time this month. It was learned here yesterday.

It will be electrically driven, and the mill will have a power plant consisting of a modern gas engine, Diesel type, operating with gas from wood refuse fuel. The engine, which is of British manufacture, will produce 1,000-horsepower.

UTILIZES HOG FUEL
Since the mill is so placed that it would be uneconomical to barge its hog fuel products, this method has been utilized to dispose of them. The mill will have a capacity up to 150,000 feet of lumber daily, and is equipped to handle logs up to seventy-two inches in diameter, and sixty feet in length.

It is also understood that certain tar derivatives obtained from by-producting processes may be used for road surfacing purposes.

BRITISH CONTROL
The company, which was incorporated last February, is capitalized for \$1,650,000, and is controlled by the British & Allied Investment Corporation of London, England. It owns sixty-five square miles of timber on Kyoquot Sound.

A. E. McMaster is managing director; L. D. Rogers, mill superintendent; Charles Allen has been construction foreman, and W. Young is mill engineer.

George M. Cornwall, editor and publisher of The Timberman, international lumber journal, who is now in Victoria, will soon leave for McBride Bay to inspect the new plant.

BAPTISTS MEET IN CHEMAINUS

Harry Renfree Is Chosen President at Vancouver Island Conference

Many delegates attended the annual conference of the Baptists of Vancouver Island, which was held recently in the Calvary Church, Chemainus. The gathering chose as president Harry Renfree, of Emmanuel Church, Victoria.

Rev. C. R. Barner, Nanaimo, retiring president, called on Rev. Dr. A. S. Imrie to conduct the opening devotional period, after which Rev. Dr. F. A. Dafee, Chemainus, welcomed delegates from First, Emmanuel and Douglas Street Churches, Victoria; First Church, Nanaimo and Chemainus.

Mrs. D. Smith, vice-president, conducted the women's session, at which Mrs. G. Bishop led the devotional period, following which Miss Bock, of the Oriental Home and School in Victoria, gave an inspiring address on her work among the Japanese people and the work which she has recently commenced at many points between Victoria and Nanaimo. The speaker also gave a brief history of the Home, and told of the great work that had been carried on there during nearly half a century of its existence.

GREETINGS FROM ONTARIO
Concluding the afternoon session, J. Macdonachie, Temple Church, Toronto, brought greetings from the Ontario and Toronto Baptist conventions and spoke briefly of the brotherhood work in which he is engaged, its object being to keep before the young men their missionary obligations.

During the business session, the following additional officers were elected: First vice-president, Mrs. Angus Galbraith, Victoria; second vice-president, Mrs. M. G. Troop, Nanaimo; third vice-president, Mrs. J. Patterson, Chemainus. Frank H. Humphrey, Victoria, was re-elected secretary-treasurer for a fourth term.
